

E-Bill Enrollment for Paperless Utility Billing

Go green and receive your utility bill electronically!

The Village of Lake Bluff is pleased to offer a paperless billing option to its residents for their utility bill. Instead of receiving a paper bill, you can now sign up to receive your Village of Lake Bluff utility bill via email.

Complete the enrollment form below to sign up for E-Bill. E-Bill eliminates the delay of sending the paper bill through the mail and allows you to be environmentally friendly. The E-Bill will be emailed to the email address provided below as a pdf attachment and will look the same as the paper bill you normally receive in the mail.

By enrolling in E-Bill, you will no longer receive a paper bill in the mail.

E-BILL ENROLLMENT FORM

To enroll in the Village of Lake Bluff's E-Bill, please complete the form below and return it to 40 E. Center Avenue, Lake Bluff, IL 60044 or email the completed form to utilitybilling@lakebluff.org.

PLEASE PRINT CLEARLY.

Please note that if your email address changes, it is your responsibility to notify the Village. Any changes must be received at least one week before your next bill. Failure to receive an E-Bill does not exempt the account holder from penalties.
