RE: North Shore Electricity Aggregation Consortium Aggregation Program  
ComEd Service Address: [REDACTED]

**ELECTRIC AGGREGATION OPT IN NOTICE**

Dear Resident or Small Business Owner:

The North Shore Electricity Aggregation Consortium is a group of seven communities formed by the Villages of Deerfield, Glencoe, Lake Bluff, Northbrook and Skokie along with the Cities of Highland Park and Lake Forest focused on securing affordable electric aggregation supply for its residents and small businesses. The Consortium recently selected Chicago-based MC Squared Energy Services, LLC (mc<sup>2</sup>) to serve the Consortium with electric supply through October 2024. Each participating community within the Consortium will be provided a Civic Contribution annually from mc<sup>2</sup> which will be used to meet sustainability and other goals and objectives established by each community. mc<sup>2</sup> will provide eligible residents and small businesses with electric supply **pricing equal to the monthly ComEd published tariff supply rate** during the thirty-six (36) month term beginning with the October 2021 ComEd meter read cycle.

**Your account will not be switched. You will remain with your current supplier. This notice is informational only.** Your electric utility has informed us that you are currently served or have chosen to be served by another competitive retail electric supplier. **If you want to continue to receive service from your chosen electric supplier, you do not need to take additional action.** Effective January 1, 2020, no supplier may charge an early termination fee for vacating a contract. You may purchase electric supply from other Retail Electricity Suppliers or ComEd. For a complete list of your options, visit [www.pluginillinois.org](http://www.pluginillinois.org). You may also request a list of all supply options available in a format allowing comparison of price and product from the Illinois Power Agency free of charge at [www.illinois.gov/ipa/Pages/Feedback\\_Form.aspx](http://www.illinois.gov/ipa/Pages/Feedback_Form.aspx).

If you wish to be served by mc<sup>2</sup> as your electric provider within the Village of Lake Bluff's Electric Aggregation Program, you must take action to enroll. Visit [www.mc2energyservices.com/special](http://www.mc2energyservices.com/special) (enter promo code **Lake Bluff**) or call (855) 697-0286, Monday through Friday, 8 a.m. to 5 p.m. If you wish to enroll, you will never pay more than the ComEd rate. There are no enrollment or early termination fees.

For more information, email [LakeBluff@mc2energyservices.com](mailto:LakeBluff@mc2energyservices.com) or call (855) 697-0286, Monday through Friday, 8 a.m. to 5 p.m. Please note: any solicitor who comes to your door or calls asking you to switch to a new supplier is not associated with the Village of Lake Bluff's Electric Aggregation Program, mc<sup>2</sup> or ComEd. MC Squared Energy Services, LLC (mc<sup>2</sup>) is the only vendor endorsed by the Village of Lake Bluff.

Sincerely,

Village of Lake Bluff

RE: North Shore Electricity Aggregation Consortium Aggregation Program  
ComEd Service Address: [REDACTED]

**INFORMATIONAL CONTENT ONLY: FOR HOURLY RATE CUSTOMERS**

Dear Resident or Small Business Owner:

The North Shore Electricity Aggregation Consortium is a group of seven communities formed by the Villages of Deerfield, Glencoe, Lake Bluff, Northbrook and Skokie along with the Cities of Highland Park and Lake Forest focused on securing affordable electric aggregation supply for its residents and small businesses. The Consortium recently selected Chicago-based MC Squared Energy Services, LLC (mc<sup>2</sup>) to serve the Consortium with electric supply through October 2024. Each participating community within the Consortium will be provided a Civic Contribution annually from mc<sup>2</sup> which will be used to meet sustainability and other goals and objectives established by each community. mc<sup>2</sup> will provide eligible residents and small businesses with electric supply **pricing equal to the monthly ComEd published tariff supply rate** during the thirty-six (36) month term beginning with the October 2021 ComEd meter read cycle.

**Your account will not be switched to mc<sup>2</sup>. You will remain a ComEd customer. This notice is informational only.** Your electric utility has informed us that you are currently a participant in the Residential Real Time Pricing (Rate RRTP) program. If you choose to participate in the Consortium's Electric Aggregation program, you must take action. You may enroll at [www.mc2energyservices.com/special](http://www.mc2energyservices.com/special) (enter promo code **Lake Bluff**) or call (855) 697-0286, Monday through Friday, 8 am to 5 pm. **Savings, if any, will vary for previous ComEd Rate RRTP customers when switching to the Aggregation program depending on your usage patterns. In addition, review ComEd's hourly service tariff for the program terms and conditions of their program. If you leave the ComEd hourly program, you may be precluded from joining the ComEd RATE RRTP for 12 months.**

You may purchase electric supply from other Retail Electricity Suppliers or ComEd. For a complete list of your options, visit [www.pluginillinois.org](http://www.pluginillinois.org). You may also request a list of all supply options available in a format allowing comparison of price and product from the Illinois Power Agency free of charge at [www.illinois.gov/ipa/Pages/Feedback\\_Form.aspx](http://www.illinois.gov/ipa/Pages/Feedback_Form.aspx).
