

Village of Lake Bluff, Illinois
Zoning Relief Application
Instructions for Text and Map Amendments (Page 1 of 2)

General Information

The Village, similar to many communities, has a system of zoning and land use regulations that reasonably restrict how land owners may use and improve their property. The Village accepts applications from interested parties to change its zoning regulations, whether by altering their text or by changing the zoning classification applicable to a particular property.

The Village’s Plan Commission and Zoning Board of Appeals (“PCZBA”) is a body of seven residents that reviews text and map amendments (among other requests). Your application will be considered at a public hearing before the PCZBA, and the PCZBA will evaluate your application based on its legislative discretion as well as certain guiding factors. The burden of proof is on the Applicant to demonstrate that an amendment is in the best interest of the Village, including in view of these guiding factors.

For this type of relief, the PCZBA recommends that the Village Board of Trustees approve, approve with conditions, or deny the relief requested.

Process and Public Notice

- **>25 days before meeting:** Applicant submits application.
- **30-15 days before meeting:** Village publishes notice in the *Lake County News-Sun*. For map amendments, Village mails notice to all owners within 300 feet of subject lot.
- **Friday before meeting:** Meeting packet available online and at Village Hall, including application materials and staff memorandum.
- **Day of meeting:** PCZBA meets at 7 p.m. in the Village Hall Board Room (40 E. Center Ave.) Applications are generally considered in the order they were first received. Staff will provide an overview of the request, and the Applicant will give a brief presentation. Members of the public will be invited to comment, and then the PCZBA will discuss the application’s merits. **IMPORTANT: You must participate in this meeting. Mark your calendar as soon as you apply.** If you or your representative do not appear, your application may be continued or denied.

The PCZBA may recommend that the Village Board approve, approve with conditions, or deny the relief sought. The PCZBA may also choose to continue the hearing at the PCZBA’s next meeting date if they require more information from the Applicant or a third party.

- **Monday after meeting:** Village Board performs first reading; there is discussion, but no final action. Applicant may request immediate approval for cause (e.g. economic loss; construction timeline; etc.)
- **2nd Monday of next month:** Village Board performs second reading, votes.

Standards for Text Amendments**

While “the wisdom of amending the village zoning map or the text of this title is a matter committed to the sound legislative discretion of the board of trustees and is not dictated by any set standard,” the PCZBA considers these factors among others in determining a recommendation to the Board of Trustees. It is the burden of the Applicant to establish whether or not their requested amendment is in the best interest of the Village and is supported by these factors.

Each factor is printed below. You should provide a statement as to how your application relates to each factor. You may respond to the questions below on this sheet, or attach a separate typed sheet.

Is the proposed amendment is consistent with the purposes of the zoning regulations?

To what extent is there a community need for the proposed amendment and any uses or development it would allow?

To what extent does the proposed amendment conform to the Village’s [Comprehensive Plan and Zoning Map](#), or what are the reasons justifying its lack of conformity?
