## ***Annual Alarm Renewal/Registration***

Please read and complete all sections for alarm registration. It is important that everything is filled out completely and legibly. (Complete **both** sides.) **Please print or type information.**

### **Commercial Alarm**

Business Name:	
Address of Alarm:	
Business Phone:	
Billing Address:	
Contact: Phone:	
Alarm Company:	
Alarm Company Phone:	

Check each type of alarm that applies to your system.

- Burglar     
 Fire     
 Hold-up     
 Medical

Automatic dialers should be programmed to make only ONE notification. No confirming follow-up calls are permitted when automated systems call the Police Department. Program your automatic dialer to call 234-2151 for Police and 234-2141 for Fire. Automated dialers are only permitted **after** the alarm has been registered with the Village of Lake Bluff.

**ANNUAL FEE FOR ALARM REGISTRATION IS \$25.00**

Please indicate if any of the following are present in your business:

- Sprinkler System     
 Safe     
 Hazardous Materials  
 Watch Dog     
 Guns     
 Lights after Hours

Please provide the following information:

Business Hours: Mon-Fri: Sat: Sun:	
Special Police Instructions:	
Special Fire Instructions:	
Location of Lights Left on:	
Location of Safe:	
Roof Hatch Entry Location:	

## ***Confidential Keyholder Information:***

Please provide the following information regarding whom we may contact in the event of an alarm at your business. Please list your keyholders in the order in which you would like them contacted.

Please keep in mind that anyone you list as a keyholder must be:

- A. Completely familiar with your building, along with your alarm system.
- B. Must be authorized by you to take appropriate actions necessary to remedy any problems or authorize repairs if alarm is malfunctioning, along with being able to take responsibility for taking the alarm out of service if it is malfunctioning.
- C. Keyholders should be persons that are in the building on a daily basis or completely familiar with the interior layout of the building.
- D. Private security companies should not be keyholders unless they are able to respond to the building whenever needed for an alarm. (Most will not.)
