

**DECLARATION OF EMERGENCY  
VILLAGE OF LAKE BLUFF, ILLINOIS  
MARCH 18, 2020**

I, Village President Kathleen O'Hara, do hereby issue this Declaration of Emergency for the Village of Lake Bluff, this 18<sup>th</sup> day of March, 2020 ("*Declaration*").

Introduction

The United States Centers for Disease Control (CDC), the United States Department of Health and Human Services (HHS), and the World Health Organization (WHO) have each determined that the SARS-CoV-2 virus causes the COVID-19 respiratory disease. The SARS-CoV-2 virus is a new strain of coronavirus that had not been previously identified in humans and is easily spread from person to person. The COVID-19 disease can result in serious illness and death.

Dozens of confirmed cases of COVID-19 have been identified in the State of Illinois; to date, most of the cases in Illinois are in the greater Chicagoland area, including in Lake County, Illinois. On January 31, 2020, the Secretary of HHS declared a public health emergency for the entire United States of America concerning COVID-19. On March 9, 2020, Governor Pritzker issued a disaster proclamation concerning the spread of COVID-19 in Illinois. On March 11, 2020, WHO declared that the spread of COVID-19 is a global pandemic. On March 13, 2020, President Trump declared a national emergency concerning the COVID-19 pandemic.

The Illinois Department of Public Health has now confirmed localized community person-to-person transmission of COVID-19 in Illinois, significantly increasing the risk of exposure and infection to Illinois' general public and creating an extreme public health risk in the Village and throughout the State. As has been experienced in other locales in the United States and around the world, the SARS-CoV-2 virus has the potential to infect large numbers of people in a short amount of time, placing extreme burdens on the health care system and the economy.

In order to prevent the spread of COVID-19 in the Village, and to protect the residents of the Village from disease and death, I find that it is necessary to issue this Declaration to implement emergency regulations and orders, all as set forth in this Declaration.

Statement of Authority

This Declaration is issued pursuant to the authority granted to me by: Sections 5-5-2 and 5-5-3 of the "Lake Bluff Municipal Code," as amended ("*Village Code*"); Section 11-1-6 of the Illinois Municipal Code, 65 ILCS 5/11-1-6; and Section 11 of the Illinois Emergency Management Agency Act, 20 ILCS 3305/11.

Declaration

I hereby declare that a state of emergency exists in the Village of Lake Bluff, for the reasons set forth in this Declaration.

3. *Cooperation with Other Government Agencies.* I direct all Village officials and employees to take all practicable steps to coordinate the Village's resources and emergency operations with the State of Illinois, the County of Lake, and other local governments in and around the Village, to best utilize resources of all agencies in the area for the preparation for, response to, and recovery from, the COVID-19 pandemic.

Pursuant to the authority vested in me pursuant to Section 5-5-3 of the Village Code, I reserve the right to issue additional emergency regulations and orders in furtherance of this Declaration. Notice of any additional regulations and orders will be provided to the Village Clerk, posted on the Village website, and otherwise provided to the general public as quickly as practicable.

Effective Date and Period of Emergency

This Declaration shall take effect immediately, and shall expire automatically upon the first to occur of: (i) the adjournment of the next regular or special or emergency meeting of the corporate authorities of the Village; and (ii) 11:59 p.m. on the date that is seven days after the date of this Declaration; provided, however, that corporate authorities, in their discretion, may extend the duration of this Declaration by a majority vote at any regular, special, or emergency meeting of the corporate authorities.
