AGREEMENT

This Agreement is made and entered into by and between the Village of Lake Bluff (hereinafter referred to as the “Village” or the “Employer”) and the Illinois Fraternal Order of Police Labor Council (hereinafter referred to as the “Council” or “Union”).

It is the intent and purpose of this Agreement to set forth the parties’ entire agreement with respect to the rates of pay, hours of employment, fringe benefits, and other conditions of employment that will be in effect during the term of this Agreement for employees covered by this Agreement; to prevent interruptions of work and interference with the operation of the Village; to encourage and improve efficiency and productivity and to provide procedures for the prompt and peaceful adjustment of grievances as provided herein.

NOW, THEREFORE, the Parties agree as follows:

ARTICLE I

RECOGNITION AND REPRESENTATION

Section 1. Unit Description

The Village hereby recognizes the Council as the sole and exclusive collective bargaining representative for the purpose of collective bargaining on all matters relating to wages, hours and all other terms and conditions of employment for all Employees in the bargaining unit as follows:

All full-time, sworn police officers below the rank of Sergeant, in accordance with the Illinois State Labor Relations Board, Case Number: S-RC-00-079 (hereinafter sometimes referred to as the “Employee(s)” or “Officer(s)” or “Bargaining Unit Member(s)”).

Section 2. Probationary Period

The probationary period for all Employees hired after the date this Agreement is signed shall be eighteen (18) months. During the probationary period, Employees shall be entitled to all
benefits provided for in this Agreement except that any discipline and termination shall be at the sole discretion of the Village and shall not be subject to the grievance procedure set forth in this Agreement.

There shall be no seniority among probationary officers. Upon successful completion of the probationary period, an officer shall acquire seniority, which shall be retroactive to his/her last date of hire with the Village in the position covered by the Agreement.

ARTICLE II
NON-DISCRIMINATION

Section 1. Equal Employment Opportunity

The Village will continue to provide equal employment opportunity for all Employees covered by the terms of this Agreement.

Section 2. Non-Discrimination

In accordance with applicable law, neither the Village nor the Union shall discriminate against any employee based on race, color, sex, religion, disability, marital status, sexual preference, parental status, national origin or Union membership. Disputes under this Section shall not be eligible for resolution through grievance arbitration but may be adjudicated in the appropriate administrative agency or court.

Section 3. Use of Masculine Pronoun

The use of the masculine pronoun in this or any other document is understood to be for clerical convenience only, and it is further understood that the masculine pronoun includes the feminine pronoun as well.
ARTICLE III
DUES DEDUCTION, NON-MEMBERSHIP, INDEMNIFICATION

Section 1. Dues Deduction

During the term of this Agreement, the Village will deduct from each Employee’s paycheck, the appropriate Council dues for each Employee who has filed with the Village a written authorization form. (Attached hereto as Appendix A) The Village shall remit such deductions monthly to the Illinois Fraternal Order of Police Labor Council at the address designated by the Council.

The Village agrees during the term of this Agreement to provide newly hired Employees with a dues deduction form within ten (10) days of their hire date and further agrees to notify the Council of any change in Employee status including but not limited to new hires, resignations, etc. within 30 days of the effective date.

During the term of this Agreement, the Council may change the fixed, uniform dollar amount by providing the Village thirty (30) days’ notice of any such change.

If an Employee has no earnings or insufficient earnings to cover the amount of dues deduction, the Council shall be responsible for the collection of that Employee’s dues. The Council agrees to refund to the Employees, any amounts paid to the Council in error on account of this dues deduction provision. An Employee may revoke their voluntary dues deduction by notifying the Council and the Village by certified mail, return receipt requested, and providing 30 days advance notice.

Section 2. Non-Membership

a. Non-Membership

The parties mutually recognize the statutory and constitutional right of all employees to elect to belong or not belong to a labor organization.
b. Religious Objection:

If a covered employee who is not a member of the Labor Council has a bona fide religious objection to the payment of union dues, the employee has the right to voluntarily submit a written request to pay a monthly amount (not to exceed the amount the Labor Council uniformly requires of members for monthly membership dues) for the Employer to deduct said amount from his paycheck and submit the amount to a charitable organization that is selected mutually by the employee and the Labor Council. In return for such continuing payment by the affected employee, the employee shall be entitled to the full range of services provided by the Labor Council to full members without any additional charge.

Any employee who voluntarily exercises his rights under this section (b) may rescind his prior payroll authorization request to the Employer in writing at any time. Any amounts deduction from the payroll of an employee for this purpose will be forwarded to the charitable organization selected by the tenth (10th) day of the month for so long as the employee’s payroll authorization remains in effect.

Section 3. Indemnification

The Illinois Fraternal Order of Police Labor Council agrees to indemnify and hold harmless the Village, its elected representatives, officers, administrators, agents and employees from and against any and all claims, demands, actions, complaints, suits or other forms of liability (monetary or otherwise) that arise out of or by reason of any action taken or not taken by the Village for the purpose of complying with the provisions of this Article, or in reliance on any written deduction
authorization furnished under this Article, including Villages reasonable and necessary attorney’s fees incurred in defending any of said claims, actions, complaints, suits or other forms of liability, and in enforcing the terms of this Article.

ARTICLE IV

NO STRIKE ≠ NO LOCKOUT

Section 1. No Strike

Neither the Union nor any officers or agents of officers covered by this Agreement will initiate, encourage, authorize, engage in, ratify, or condone any strike, sympathy strike, slowdown, or withholding of services or any other job action or any other intentional interruption or disruption of the operations of the Village regardless of reason for so doing. Any and or all officers who violate any of the provisions of this Article may be discharged or otherwise disciplined by the Village. Each officer who holds the position of officer or steward of the Union occupies a position of special trust and responsibility in maintaining and bringing about compliance with the provisions of this Article. In addition, in the event of a violation of this section of this Article the Union agrees to inform its members of their obligations under this Agreement and to direct them to return to work.

Section 2. No Lockout

During the term of this Agreement, the Village will not instigate a lock out of any officers during the term of this Agreement over a labor dispute with the Council.

Section 3. Penalty

The only matter that may be made the subject of a grievance concerning disciplinary action imposed for an alleged violation of Section 1 is whether or not the officer actually engaged in such prohibited conduct. The failure to confer a penalty in any instance is not a waiver of such right in any other instance nor is it a precedent.
Section 4. Judicial Restraint

Nothing contained herein shall preclude the Village or the Council from obtaining judicial restraint and damages in the event the other party violates this Article.

ARTICLE V

COUNCIL AND LOCAL LODGE RIGHTS

ARTICLE X

SENIORITY

Section 1. Definition of Seniority

Seniority shall be based on the length of time from the last date of beginning continuous full-time employment as a sworn peace officer in the Lake Bluff Police Department. Leaves exceeding ninety (90) days shall be deducted from the total accumulated date of full-time service in determining seniority, except leaves resulting from military duty or duty-related injuries or unless otherwise stated to the contrary in this Agreement. Conflicts of seniority shall be determined on the basis of the order of the officers on the Lake Bluff Police and Fire Commission’s hiring list, with the officer higher on the list being more senior.
Section 2. Loss of Seniority

An employee will lose his seniority when:

(a) The employee resigns or quits;

(b) The employee is discharged (for just cause for an officer who has successfully completed the probationary period);

(c) The employee retires;

(d) The employee fails to report to work within five (5) calendar days after the conclusion of an authorized leave of absence or vacation;

(e) The employee fails to notify the Chief of Police or his authorized designee of his intention to return to work within five (5) weekdays Monday through Friday (exclusive of holidays observed by the Village) after being sent notice of recall;

(g) The employee is laid off for a period in excess of eighteen (18) months;

(h) The employee does not perform work for the Village (except for military service, disability pension, or a layoff where the officer has recall rights, or an established work related injury compensated under workers’ compensation) for a period in excess of twelve (12) months.

ARTICLE XI

LAYOFF AND RECALL

Section 1. Layoff

The Village, in its sole discretion, shall determine when and whether layoffs are necessary. If it is determined that layoffs are necessary, officers covered by this Agreement will be laid off in accordance with their length of service as provided by the Illinois Statute, 65 ILCS 5/10-2.1-18.

Except in an emergency, no layoff will occur without at least ten (10) business days’ notification to the Union.
Section 2. Recall

Officers who are laid off shall be placed on a recall list for a period of eighteen (18) months. If there is a recall, officers who are still on the recall list shall be recalled, in the inverse order of their layoff, provided they are fully qualified to perform the work to which they are recalled without further training.

Officers who are eligible for recall shall be given a minimum of fourteen (14) days' notice of recall and notice of recall shall be sent to the officer by certified or registered mail with a copy to the Union, provided that the officer must notify the Chief of Police or his designee of his/her intention to return to work within five (5) weekdays Monday through Friday (exclusive of holidays observed by the Village) after receiving notice of recall. Such notification of intention to return to work shall be done in writing.

The Village shall be deemed to have fulfilled its obligations by mailing the recall notice by certified mail, return receipt requested, to the mailing address last provided by the officer, it being the obligation and responsibility of the officer to provide the Chief of Police or his authorized designee with his current mailing address. An officer who fails to timely respond to a recall notice shall have his/her name removed from the recall list.

ARTICLE XII

DISPUTE RESOLUTION AND GRIEVANCE PROCEDURE

Section 1. Definition

A “grievance” is defined as a dispute raised by an officer and/or the Union against the Village involving an alleged violation of an express provision of this Agreement. The parties recognize that the Lake Bluff Police and Fire Commission has and retains certain statutory authority over employees covered by this Agreement. Such authority shall not contradict the terms of this Agreement.
Section 2. Representation

The Council may have the grievant or grievants present at any step of the grievance procedure, and the grievant is entitled to Council representation at any step of the grievance procedure.

Section 3. Procedure

STEP 1: Any officer who has a grievance shall submit the grievance in writing to the Deputy Chief, specifically indicating that the matter is a grievance under this Agreement. The grievance shall contain a statement of the facts, the provision or provisions of this Agreement, which are alleged to have been violated, and the relief requested (A copy of a Union grievance form is attached as Appendix B). All grievances must be presented no later than seven (7) business days from the date of the occurrence of the matter giving rise to the grievance or within seven (7) business days after the officer, through the use of reasonable diligence, could have obtained knowledge of the occurrence of the event giving rise to the grievance. The Deputy Chief shall render a written response to the grievant within seven (7) business days after the grievance is presented.

STEP 2. If the grievance is not settled at Step 1 and the officer or Union wishes to appeal the grievance to Step 2 of the Grievance Procedure, it shall be submitted in writing to the Chief of Police within seven (7) business days after receipt of the Deputy Chief’s answer at Step 1. The grievance shall specifically state the basis upon which the grievant believes the grievance was improperly denied at the previous step in the grievance procedure. The Chief of Police, or his designee, will review the grievance and may offer to discuss the grievance within seven (7) business days with the grievant and an authorized representative of the Union at a time and place mutually agreeable to the parties. If no settlement of the grievance is reached, the Chief of Police
or his designee, shall provide a written answer/response to the grievant and the Union within seven (7) business days following the meeting.

STEP 3. If the grievance is not settled at Step 2 and the officer or Union desires to appeal, it shall be referred by the officer or Union in writing to the Village Administrator within seven (7) business days after receipt of the Police Chief’s response at Step 2. Thereafter the Village Administrator or his designee and other appropriate individual(s) as desired by the Village Administrator, shall meet with the grievant and a Union representative within seven (7) business days of receipt of the officer or Union’s appeal, unless extended by the Parties. If no agreement is reached, the Village Administrator or his designee shall submit a written response to the grievant and the Union within seven (7) business days following the meeting.

Section 4. Arbitration

If the grievance is not settled in Step 3 and the Union wishes to appeal the grievance from Step 3 of the Grievance Procedure, the Union may refer the grievance to arbitration, as described below, within twenty-one (21) business days of receipt of the Village Administrator’s written answer as provided to the Union as Step 3.

(a) The parties shall attempt to agree upon an arbitrator within seven (7) business days after receipt of the notice of referral. In the event that the parties are unable to agree upon the arbitrator within the said seven (7) day period, the parties shall jointly request the Federal Mediation and Conciliation Service to submit a panel of five (5) arbitrators. Each party retains the right to reject one (1) panel in its entirety and request that a new panel be submitted. Both the Village and the Union shall have the right to strike two (2) names from the panel. A coin toss will determine the first strike and then the parties will alternate strikes. The person remaining shall be the arbitrator.

(b) The arbitrator shall be notified of his selection and shall be requested to set a time and place for the hearing, subject to the availability of Union and Village representatives.
(c) The Union and the Village shall have the right to request the arbitrator to require the presence of witnesses or documents. The Union and the Village retain the right to employ legal counsel.

(d) The arbitrator shall submit his decision in writing within thirty (30) calendar days following the close of the hearing or the submission or briefs by the parties, whichever is later.

(e) More than one grievance may be submitted to the same arbitrator where both parties mutually agree in writing.

(f) The fees and expenses of the arbitrator and the cost of the written transcript, if any, shall be divided equally between the Village and the Union; provided however, that each party shall be responsible for compensating its own representatives and witnesses.

Section 5. Authority Limitations of the Arbitrator

The arbitrator shall have no right to amend, modify, nullify, ignore, add to, subtract from or change in any way the provisions of this Agreement. The arbitrator shall consider and decide only the question of fact as to whether there has been a violation, misinterpretation or misapplication of the specific provisions of this Agreement, as well as determine an appropriate award, if any. Any decision or award of the arbitrator rendered within the limitations of this Section 1 shall be final and binding upon the Village, the FOP Labor Council, the Union and the officers covered by this Agreement.

Section 6. Time Limit for Filing

If the grievance is not presented by the officer within the time limits set forth above, it shall be considered “waived” and may not be pursued further. If a grievance is not appealed to the next step within the specified time limit or any specifically agreed extension thereof, it shall be considered “waived.” If the Deputy Chief, Chief, or the Village Administrator does not answer a grievance or an appeal thereof within the specified time limits, the aggrieved officer or Union may elect to treat the grievance as denied at the step and immediately appeal the grievance to the next
step. The parties may by mutual agreement in writing extend any of the time limits set forth in this Article.

ARTICLE XIII

IMPASSE RESOLUTION

The resolution of any bargaining impasse shall be in accordance with the Illinois Public Labor Relations Act, as may be amended from time to time (5 ILCS 315/14), or as may otherwise be mutually agreed.

HOURS OF WORK AND OVERTIME

Section 1. Purpose of Article

This Article sets forth the normal work cycle and establishes the basis for calculating overtime payments. Nothing in this Article or Agreement shall be construed or misconstrued as a guarantee of hours of work per day, per week, or per work cycle.

Section 2. Normal Work Cycle

The normal work cycle for officers covered by this Agreement shall be fourteen (14) days consisting of ten (10) shifts of eight (8) hours. Current lunch/break practices shall remain in effect.

Section 3. Changes in Normal Work Cycle

Should it be necessary for legitimate operational needs for the Chief of Police to establish a schedule departing from the current practices, the Police Chief will give, if practicable, seventy-two (72) hours’ advance notice of such change to all officers affected by such change. Shift scheduling bids will be held on January 1 of each successive year. Shifts available for bid will be posted sixty (60) days prior to the effective date of the bid. For the period beginning sixty (60) days before the effective date and ending thirty (30) days prior to the effective date each officer may submit their shift scheduling bids. Shifts will be assigned as bid in seniority order. All non-probationary officers shall participate in the shift bidding. Probationary officers shall not
participate in shift bidding until January 1 following completion of their probationary period. Shift assignments, once made, will remain in effect; provided however that the Department has the right and obligation to adjust shifts on the basis of skills (i.e. Major Crimes, NIPAS), the Chief or his designee, consistent with this right and obligation, shall be entitled to re-assign shifts in inverse seniority. Bumping which occurs as a result of the assignment by the Chief of Police of probationary officers will be in inverse seniority order.

Section 4. Overtime Pay

Officers shall be paid at one and one-half (1 ½) times their normal straight time hourly rate for all hours compensated in excess of the normal eight (8) hour day in the officer’s normal fourteen (14) day work cycle (in completed quarter hour (15 minute) segments). This will be rounded to the nearest fifteen (15) minutes as follows:

0-7 minutes = 0 minutes
8-22 minutes = 15 minutes
23-30 = 30 minutes

All overtime must be recorded in writing with the actual hours (time) worked documented and not rounded (e.g. recorded as 0630 to 0653, not 0630 to 0700).

Section 5. Court Time

When officers are required to attend court on behalf of the Village outside an officer’s normal workday, the officer shall be paid for actual time spent for court with a minimum of three (3) hours of pay.

Section 6. Call Back or Call-In Pay

Officers who are hired to work outside their normal hours of work (i.e., hours not contiguous to their normal shift or on a day not regularly scheduled) shall be paid their applicable
rate of pay for all hours worked outside their normal shift, with a guarantee of two (2) hours’ pay.
The term “call back” or “call-in” shall not include an employee being contacted by telephone or situations where employees are ordered in to correct their own mistakes or clarify unrecognizable transcripts.

Section 7. Shift Trades

A shift trade may be permitted if a voluntary request for such a trade is submitted and approved by the Chief of Police or his designee. Any such request shall be handled in accordance with existing practices.

Section 8. No Pyramiding

Compensation shall not be paid more than once for the same hours under any provisions of this Article or Agreement.

ARTICLE XVI
HOLIDAYS AND PERSONAL DAYS

Section 1. Holidays

Officers covered by this agreement shall receive eight (8) days off per calendar year, said days off to be scheduled under normal circumstances based upon the officer’s request and with the approval of the Chief of Police or his designee. Holidays may not be requested on days that would result in insufficient manpower to cover the shift.

In order to be eligible to receive pay for any of the eight (8) scheduled days off the officer must work his/her full scheduled day before and after the scheduled day off unless proof of sickness or excusable absence is established to the satisfaction of the Chief of Police.

Those days shall be made available for request at the beginning of the calendar year. Employees shall be given the opportunity to request these days prior to the beginning of the calendar year, but at a minimum of five (5) days in advance. Senior officers on the shift shall have
the first opportunity to request available time. Such requests shall not be unreasonably denied, however requests may be denied or cancelled if another officer selects vacation time on a date a holiday/personal day has been selected resulting in insufficient manpower.

For purposes of this section, officers who work on Memorial Day, Thanksgiving Day, and Christmas Day shall be paid time and one-half for all hours worked. For purposes of the foregoing holiday pay provisions, if a majority of the hours of a shift fall on the holiday (12 midnight through 11:59 PM), the entire shift shall be considered as falling on the holiday for holiday pay purposes. If however less than a majority of the hours of a shift do not fall on the holiday, the entire shift shall be considered as not falling on the holiday.

**Section 2. Personal Days**

In addition to the above eight (8) holidays, officers shall also receive four (4) personal days per fiscal year. A personal day may not be taken consecutively with another holiday or vacation time without the approval of the Chief of Police or his designee (such approval will not be unreasonably denied).

**ARTICLE XVII**

**VACATIONS**

**Section 1. Vacation Eligibility**

Every officer shall be eligible to use vacation time after the completion of twelve (12) months of employment with the Village. Officers shall start to earn vacation allowance as of the date of hire. Vacation allowance shall be earned per pay period based on the following schedule:

<table>
<thead>
<tr>
<th>Length of Continuous Service</th>

Requests for vacation during the First period is not subject to seniority and is open on a first come first served basis to all officers provided the proper request form has been submitted.

Vacations will be limited to a maximum of two (2) weeks per request during the year. No more than one (1) Patrol Officer per shift may be on vacation at the same time, and no more than one (1) sworn officer in the Department, regardless of shift, may be on vacation during the week of July 4. For the period of January through March, vacation will be chosen on a first come first serve basis. No seniority and no “bumping” will be permitted during this period.

By November 1 of each year, the Village shall post a vacation bid list which shall remain posted until December 15 of each year. Officers may not take any part of the same period of time for vacation as they took the previous year as first pick, unless no other officers pick that time. After all employees have made initial selections, the second round selections, also by Seniority and rank, will be made. A second round selection cannot take priority over another employee’s first round selection.

After all second requests have been submitted, any officers who have remaining accumulated vacation time may submit another vacation request. This request is not subject to seniority.
Section 2. Vacation Week

Vacation shall be paid on a forty (40) hour basis per week at the rate of the officer’s regular straight-time hourly rate of pay in effect for the officer’s regular job classification on the payday immediately preceding the officer’s vacation.

Section 3. Vacation Scheduling

Vacation shall be scheduled at times requested by the officers consistent with the operational needs of the Department.

Section 4. Limitation on Accumulation of Annual Vacation

Officers are not permitted to accrue/carryover more vacation time than they earn in one year plus ten (10) days without written approval by the Chief of Police and the Village Administrator.

Employees will not be permitted to exceed the accrual limitation. If on April 30 of any year, the employee exceeds the accrual limitation, the employee shall forfeit any excess hours.

ARTICLE XVIII
ABSENCE FROM DUTY

Section 1. Paid Sick Time

All full-time officers are eligible for paid sick time benefits at a rate of one work day of each month of continuous service, or 3.69 hours every two (2) weeks or pay period. Sick leave will be allowed for illness or injury to the employee or the employee’s immediate family as defined in the Family and Medical Leave Act. A doctor’s note shall be required when utilizing sick leave of more than three (3) consecutive workdays.

(a) Should paid sick time benefits be exhausted in the case of a prolonged personal illness, an officer may utilize accrued vacation pay leave time in lieu of unpaid sick leave if he/she so requests.
(b) On separation from the Village in good standing, an employee having a minimum of sixty (60) days and not more than 119 days of accrued sick leave, shall receive compensation equal to 20% of all days accrued at his/her current hourly rate. An employee having a minimum of 120 days of accrued sick leave shall receive compensation equal to 40% of all days accrued at his/her current hourly rate. An employee having less than sixty (60) days of accrued sick leave will not receive compensation for those days upon separation of employment. Employees who leave the Village's employ as a result of disciplinary action do not qualify for accrued sick leave payments.

Section 2. Military Leave

Military leave will be granted in accordance with applicable law.

Section 3. Unpaid Leave of Absence

An officer must inform the Chief of Police of his intention to request an unpaid leave of absence for off-the-job injuries or for other reasons. An off-the-job injury leave or other unpaid leave of absence may however only be granted by the Village Administrator at the Village’s sole discretion. The terms and conditions of such leave shall be on a case-by-case basis provided the provisions do not violate the terms and conditions of this Agreement or applicable State Statutes.

Officers returning from off-the-job injury leaves must present medical documentation, signed by the attending physician, certifying the officer’s fitness for duty. Returning officers will be given their same or substantially equivalent job for which they are qualified, if there is an appropriate vacancy. If a vacancy does not exist at that time, they may be continued on leave and will be offered the first appropriate vacancy for which they are qualified. Those returning from an off-the-job injury leave will not be entitled to a shift preference. Failure to return to work on the date specified in the leave may be cause for discharge.

Section 4. Injury Leave

Nothing in this Agreement shall be construed to preclude the applicability of the Public Employee Disability Act as set forth in 5 ILCS 345/1 et seq., but said Act shall not be incorporated herein by reference.
Section 5. Family Medical Leave

Insofar as it is required by law, the Village will continue its current practice of providing family and medical leave in accordance with the Family Medical Leave Act, including requiring employees to take such leave concurrent with any other approved leave.

Section 6. Light Duty Assignments

Officers who are physically unable to perform their normal job duties as a result of a duty related injury may be placed on temporary light-duty assignments if the officer receives a medical release from his physician to perform such assignment, subject to the Village’s sole discretion.

Section 7. Bereavement Leave

The Village agrees to provide Employees a leave of absence without loss of pay or benefits, as a result of a death in the Employee’s family. Such leave shall be for a period of up to three (3) days. For purposes of this Section, family shall be defined as: Parents, Grandparents, Spouse, Children (including “step” or “adopted”), Brothers, Sisters, Grandchildren, Mother in Law, Father in Law, Brothers in Law, Sisters in Law.

ARTICLE XIX

HOSPITAL, MEDICAL, SURGICAL,
MAJOR MEDICAL, DENTAL AND LIFE INSURANCE

Section 1. Medical Insurance

The hospitalization, medical, surgical, major medical, and dental insurance programs which are in effect for Village employees on the effective date of this Agreement shall be continued during the term of this Agreement, provided, however, the Village retains the right to change insurance carriers or to self-insure as it deems appropriate so long as the coverage and benefits are substantially similar to those which predated this Agreement. Any High Deductible Health Plan shall be accompanied by an HSA Account established for the employee by the Village. Village
contributions to the HSA account shall be fifty percent (50%) of the deductible for the Plan and Tier in which the employee is enrolled. In addition, eligible employees shall have the option to contribute via payroll deduction to the HSA up to the maximum amount allowed by law. Employees not enrolled in an HSA account may elect to participate in the Village’s flexible benefit account, if otherwise eligible.

Section 2. Life Insurance

Full-time officers will be provided with life insurance coverage and accidental death and dismemberment coverage under the terms of the current group life insurance program in force, provided, however, the Village retains the right to change carriers as it deems appropriate. The Village will assume the full cost of the officer’s life insurance coverage from the date of eligibility onward. Life insurance ceases with termination of employment with the Village except as otherwise provided by law. The specific aspects of the life insurance coverage are contained in the respective carrier’s group insurance certificate.

Section 3. Cost Containment

The Village reserves the right to maintain or institute cost containment measures relative to insurance coverage so long as the level of insurance benefits remain substantially the same. The Village will not increase the employee share of the deductibles (routine & hospital/surgical) or the co-insurance percentages from those in effect pursuant to the insurance contract in effect on the effective date of this Agreement; however the Village will pay a minimum of 86% of the premium for employee and applicable family coverage. The employee will pay the remaining premium for the life of this contract. Premium contributions will continue to be deducted on a pre-tax basis.
Section 4.  Opt-out Option

For a period of thirty (30) days prior to each plan year, each bargaining unit employee, upon proof of applicable insurance by another carrier, shall have the option to elect not to receive the health and dental insurance offered by the Village. Such election will be effective for a period of twelve (12) months beginning on the start of the plan year. Any employee who is eligible for any applicable family coverage and elects not to receive coverage for themselves and family shall receive a payment of One Thousand Two Hundred and Fifty Dollars ($1250). Any employee who is eligible only for single coverage and elects not to be covered shall receive a payment of Seven Hundred and Twenty Five Dollars ($725). Such payments shall be paid in two installments, on the start of the plan year and six (6) months thereafter. If an employee does not exercise the right to elect whether or not to be covered or to receive family coverage during the thirty (30) days prior to the start of the plan year, his/her prior election will continue to be in effect for a period of an additional twelve (12) months. An employee who has elected not to be covered and/or not to receive family coverage shall have the right to change this election during the applicable twelve (12) month period only upon proof of change of other insurance coverage for self or family as required by law. This opt-out payment shall be prorated if the employee works a partial year, changes his/her election during the applicable twelve (12) month period, or the employer changes the starting date of the plan year.

Section 5.  Terms of the Policy to Govern

The extent of coverage under the insurance policies referred to Sections 1 and 2 shall be governed by the terms and conditions set forth in said policies. Any questioning concerning coverage shall be resolved in accordance with the terms and conditions in said policy and shall not
be subject to the grievance procedure set forth in this Agreement; provided, however, any officer who has a question concerning coverage may present it to the Village Administrator or designee who shall make appropriate inquiry and advise the officer of the status of the matter.

Section 6.  Funeral Expense

The Village agrees to defray all reasonable funeral and burial expenses of any officer killed in the line of duty.

Section 7.  Flexible Benefit Plan

The Village will continue to provide a flexible benefit plan to each bargaining unit employee at the same level of benefits and under the same terms and conditions as provided to other Village employees.

ARTICLE XX

GENERAL PROVISIONS

Section 1.  Secondary Employment

No officer of the Village shall be employed in other occupations, business ventures or other activity considered as secondary full-time or part-time type employment without the knowledge and specific written request and approval of the Chief of Police and the Village Administrator. Secondary employment does not include special details arranged through the Department, or service in the Armed Forces of the United States, or the National Guard of any state. However, such employment shall not be acceptable, if any of the following conditions apply or develop:

(a) where the nature or place of employment might bring disfavor on the Department or the Village;

(b) where the secondary employment would involve the employee’s appearance in Village uniform, involve use of Village equipment, or in any manner be considered as a conflict of interest with the officer’s municipal position;
(c) where an employee appears to be using his position to influence his secondary employment.

Officers who engage in secondary employment shall do so only with the understanding and acceptance that their primary duty, obligation and responsibility is to the Village of Lake Bluff. All officers are subject to call at any time for emergencies, special assignment, or overtime duty and no secondary or other employment may infringe on this obligation. All employees seeking to work secondary employment shall first obtain the signed Secondary Employment Indemnity Agreement contained in Appendix C.

Section 5. Uniforms

The Village agrees to supply police uniforms and equipment in accordance with existing practices. If an employee has a good faith reason to believe that he can obtain an authorized item (other than vests) sooner than the Deputy Chief (or designee) would be able to obtain the same item, the employee may submit a written request (email is fine) indicating that he would prefer to
purchase the item on his own and he may submit a receipt for reimbursement instead of having the Employer secure the item on behalf of the employee. Requests made pursuant to this section should be made prior to the time the Employer submits an order with a vendor and reimbursement amounts cannot unreasonably exceed the amount the Employer would have paid for the same item. Requests made by an employee pursuant to this section will not be unreasonably denied by the Employer.

Section 6. Inoculation and Immunization

The Village agrees to pay all expenses for inoculation or immunization shots for the officer as a result of said officer’s exposure to contagious diseases where the said officer has been exposed to said disease in the line of duty. If in a physician’s opinion, the members of the family are required to have such shots, the Village agrees to assume the costs of the shots, provided proper medical documentation is submitted to the Village.

Section 7. Bill of Rights

In any meeting called by administrative, command, or supervisory personnel, in which an officer reasonably believes that discipline will result from the meeting, the officer may request that a Council representative be present and one will be provided within a reasonable period of time. If no such request is made, the Village is under no obligation to insure such representation. Nothing in this Agreement shall be construed to preclude the applicability of the Peace Officer Bill of Rights as set forth in 50 ILCS 725/1, et seq., but said Bill of Rights shall not be incorporated herein by reference.

Section 8. Drug and Alcohol Policy

The Drug and Alcohol Policy is attached hereto as Appendix C and incorporated herein by reference.
Section 9. Indemnification

The Village shall be responsible for, hold Employees harmless from and pay for damages or monies which may be adjudged, assessed or otherwise levied against any Employee covered by this Agreement, pursuant to 65 ILCS 5/1-4-6. Section 10. Union Stewards

For the purposes of administering and enforcing the provisions of this Agreement, the Village agrees as follows: In order to assist the Village with compliance with this Article, the Local Union shall provide the Chief of Police with a list of names of the Union Stewards within a reasonable time following election or appointment of such Stewards, or any changes to the list.

Section 11. Deferred Compensation Plan

Officers may participate in a Deferred Compensation Plan as authorized by the Village Board. Officers must execute Joinder Agreements with the applicable organization and the agreement must be submitted to the Office of the Village Administrator.

Section 12. Personal Use of Village Property

Officers shall not use any Village property for their own personal use. Provided, however, with the prior approval of the Chief of Police or his designee, Union representatives may use Village copy and fax machines. Such use shall not take precedence over Village needs.

Section 13. Clothing Expense Reimbursement

When an officer’s personal clothing becomes damaged while performing official duties, the officer shall be reimbursed for reasonable replacement, repair or cleaning of the clothing so
damaged, as applicable. Detectives will receive an annual cash clothing allowance of Three Hundred Dollars ($300).

Any posting may be removed or not posted if it is not from the FOP Labor Council or Union business.

**Section 15. Safety Issues**

(a) **Safety Meetings** The Chief of Police or his designee will meet with the Council, to discuss safety issues.

Any report or recommendation which may be prepared by the Council, or designee(s) of the Chief of Police as a direct result of any such meeting will be in writing and copies submitted to the Chief of Police and the representatives of the Council.

(b) **Defective Equipment** No Employee shall be required to use any equipment that has been designated by both the Council, and the Village as being defective because of a disabling condition.

When an assigned department vehicle is found to have a disabling defect or is in violation of the law, the Employee will notify his supervisor, complete required reports, and follow the supervisor’s direction relative to requesting repair, replacement, or the continued operation of said vehicle.

**Section 16. Examination of Records**

The Council or a representative shall have the right to examine time sheets and other records or copies thereof, pertaining to a specific grievance arising after the effective date of this Agreement, at reasonable times, with reasonable advance notice, at the normal place of business for such records during normal business hours and with the Employee's consent.
ARTICLE XXI

APPENDIX C
DRUG AND ALCOHOL TESTING

Section 1. Policy

It is the policy of the Village that the public has the reasonable right to expect persons employed by the Village to be free from the effects of drugs and alcohol. The Village, as the employer, has the right to expect the employees to report for work fit and able for duty. The purposes of this policy shall be achieved in such manner as not to violate any established rights of the employees.

Section 2. Prohibition

Employees shall be prohibited from:

(a) consuming or possessing alcohol or illegal drugs (unless in accordance with duty requirements) at any time during the work day or anywhere on any Village premises or job sites, including all Village buildings, properties, vehicles and the Employee’s personal vehicle while engaged in Village business;

(b) illegally selling, purchasing or delivering any illegal drug (unless in accordance with duty requirements);

(c) being under the influence of alcohol or illegal drugs during the course of the work day or within a reasonable time prior to beginning the work day;

(d) failing to report to their supervisor any known or adverse side effects of medication or prescription drugs which they are taking;

(e) selling, distributing, dispensing, or transferring alcohol, illegal drugs, or prescription drugs and medications to any other employee or to any person while on duty or acting in an official capacity.

Section 3. Drug and Alcohol Testing Permitted

A. Reasonable Cause

1. Anyone in a supervisory position shall have the right to require any employee under their supervision to submit to drug or alcohol testing when reasonable suspicion exists that the employee is in
violation of any of the provisions as set forth in this directive. The supervisory person will provide written notice to the employee of the order to submit to drug or alcohol testing. The order will be signed by the supervisory person requiring the test as well as a person of equal or higher level of authority within the same department or the Village Administrator, or in the Village Administrator’s absence, the Human Resources Coordinator, and will further state the specific facts and inferences leading to the reasonable suspicion to order to such test. The employee shall be permitted to consult with a representative of the Labor Council at the time the order is given. Testing shall not be unreasonably delayed by reason of the Employee’s inability to consult legal counsel or labor representatives. No questioning of the employee shall be conducted without first affording the employee the right to Labor Council representation and/or legal counsel. The employee shall complete the test required by the supervisor within one (1) hour of issuance of the order. A supervisor shall provide transportation to the test.

2. Any employee suspected of drug or alcohol use as a result of reasonable evidence upon reporting to work, during the day, or upon completion of the employee’s shift may be subjected to a reasonable cause urine drug or breath alcohol test in accordance with the provisions of the aforementioned paragraph. Refusal to submit to such screening will be considered grounds for immediate discipline up to, and including discharge.

B. Pre-employment/Promotion/Job Assignment Change

1. All job offers are contingent upon successfully passing a five-panel urine drug test and an alcohol drug test.

2. Any employee may be required to submit to drug or alcohol testing as a condition of the promotional process, or initial employment without the requirement of reasonable suspicion.

C. Duty-Related Post-Accident Testing

1. Post-accident urine drug and breath alcohol testing will be required of those employees who are involved in an accident if the employee receives a citation for a moving traffic violation arising from the accident, the accident results in personal injury to the employee or others, or more than $1,000 in property damage, or a supervisor observes one or more items as defined under reasonable cause suspicion.
2. The post-accident urine drug test shall be conducted as soon as possible but not later than 32 hours after a reportable or fatal accident. If the test is not administered the Village shall prepare and maintain on file a record stating the reasons the test was not promptly completed. If a breath alcohol test is not conducted within 2 hours, a record shall be prepared and retained stating why. If in 8 hours a test is still not conducted, all attempts shall cease and a complete record made of why it was not accomplished. The employee should not consume alcohol for at least 8 hours following an accident or until a breath alcohol test has been accomplished.

3. An employee who is seriously injured and cannot provide a specimen or breath alcohol test at the time of the accident shall provide the necessary authorization for obtaining only those medical records and reports that would indicate if a controlled substance or alcohol was in the employee’s system and the level present.

4. Failure of an employee to be readily available or refusal to give a urine sample or breath alcohol test when the employee has been involved in an accident covered under this directive, except for a driver in paragraph c, shall be grounds for immediate discipline up to, and including discharge.

D. Return to Duty-testing

1. Prior to being eligible for return-to-duty testing an employee may be required to be evaluated by a Substance Abuse Professional (SAP), who shall set up any assistance needed. When the employee has complied with all the recommendations of the SAP, the employee must request the results of the evaluation relating to compliance with recommendations as they relate to fitness for duty, and notification of release be given in writing to the Village’s Human Resources Coordinator.

2. Any officer reinstated to active duty from a drug or alcohol related leave of absence in excess of 30 days will be required to submit to drug or alcohol testing without the requirement of reasonable suspicion within the 12 month period subsequent to reinstatement.

E. Each employee involved in an officer involved shooting must submit to drug and alcohol testing as soon as practical but not later than the end of the shift. An employee is considered to have been involved in an officer-involved shooting whenever the employee discharges a firearm on duty and such action may have caused injury or death to a person or persons. This
section will be construed and applied in accordance with the Illinois Police and Community Relations Improvement Act, 50 ILCS 727/1-25.

**Section 4. Tests to be conducted**

In conducting the testing authorized by this Agreement, the Village shall:

(a) use only a clinical laboratory or hospital facility that is certified by SAMSHA;

(b) If the type of test administered allows a split sample, the employee shall have the option to request that such a sample be taken, which shall be tested at another SAMSHA certified lab. Split sample testing shall be at the employee’s expense;

(c) establish a chain of custody procedure for both the sample collection and testing that will insure the integrity of the identity of each sample and test result. No Employee covered by this Agreement shall be permitted at any time to become a part of such chain of custody;

(d) collect a sufficient sample of the same bodily fluid or material from an Employee to allow for initial screening, a confirmatory test and a sufficient amount to be set aside reserved for later testing if requested by the Employee;

(e) collect samples in such a manner as to preserve the individual Employee's right to privacy, insure a high degree of security for the sample and its freedom from adulteration. Employees shall not be witnessed by anyone while submitting a sample, except in circumstances where the laboratory or facility does not have a "clean room" for submitting samples or where there is reasonable belief that the Employee has attempted to compromise the accuracy of the testing procedure;

(f) confirm any sample that tests positive in the initial screening for drugs by testing the second portion of the same sample by gas chromatography mass spectrometry (GCMS) or an equivalent or better scientifically accurate and accepted method that provides quantitative data about the detected drug or drug metabolites;

(g) provide the Employee tested with an opportunity to have the additional sample tested by a clinical laboratory or hospital facility of the Employee's own choosing, at the Employee's own expense; provided the Employee notifies the Village within seventy-two (72) hours of receiving the results of the tests;

(h) require that the laboratory or hospital facility report to the Village that a blood or urine sample is positive only if both the initial screening and confirmation test are positive for a particular drug. The parties agree that
should any information concerning such testing or the results thereof be obtained by the Village inconsistent with the understandings expressed herein (e.g. billings for testing that reveal the nature or number of test administered), the Village will not use such information in any manner or forum adverse to the Employee's interests;

(i) require that with regard to alcohol testing, for the purpose of determining whether the Employee is under the influence of alcohol, test results showing an alcohol concentration of .08 or more based upon the grams of alcohol per 100 milliliters of blood be considered positive (Note: the foregoing standard shall not preclude the Village from attempting to show that test results between .05 and .08 demonstrate that the Employee was under the influence.

(j) provide each Employee tested with a copy of all information and reports received by the Village in connection with the testing and the results;

(k) insure that no Employee is the subject of any adverse employment action except emergency temporary reassignment or relief from duty with pay during the pendent of any testing procedure. Any such emergency reassignment or relief from duty shall be immediately discontinued in the event of a negative test result.

(l) Test results must be confirmed by a SAMSHA certified laboratory and a qualified Medical Review Officer (MRO) with whom the employee has had the opportunity to speak (to the extent that it is required by SAMSHA standards). In the event a primary test result conflicts with the results of a re-test conducted pursuant to this Article, the SAMSHA standards will govern to the same extent that work apply in a federal workplace.

Section 5. Voluntary Requests for Assistance

The Village shall take no adverse employment action for drug or alcohol use against an Employee who voluntarily (prior to being requested to submitting to a test) seeks treatment, counseling or other support for an alcohol or drug related problem, prior to any request by the Village to submit to testing in accordance with this Article, other than the Village may require reassignment of the Employee with pay if he is then unfit for duty in his current assignment, however employees may only avail themselves of this help once during the employee’s tenure. The Village shall make available a means by which the Employee may obtain referrals and
treatment. All such requests shall be confidential and any information received by the Village, through whatever means, shall not be used in any manner adverse to the Employee's interests, except reassignment as described above.

An Employee who voluntarily seeks assistance with drug and/or alcohol related problems, shall not be subject to any disciplinary or other adverse employment action for drug or alcohol use by the Village. The foregoing is conditioned upon:

(a) the Employee agreeing to appropriate treatment as determined by the physician(s) involved;

(b) the Employee discontinues his use of illegal drugs or abuse of alcohol;

(c) the Employee completes the course of treatment prescribed, including an "after-care" group for a period of up to twelve months;

(d) the Employee agrees to submit to random testing during hours of work during the period of "after-care."

(e) the employee's use of drugs or alcohol did not contribute directly to the loss of life or injury to any person.

The foregoing shall not be construed as an obligation on the part of the Village to retain an Employee on active status throughout the period of rehabilitation if it is appropriately determined that the Employee's current use of alcohol or drugs prevents such individual from performing the duties of a police officer or whose continuance on active status would constitute a direct threat to the property or safety of others. Such Employees shall be afforded the opportunity to use accumulated paid leave or take an unpaid leave of absence, at the Employee's option, pending treatment. The foregoing shall not limit the Village's right to discipline Employees for misconduct provided such discipline shall not be increased or imposed due to alcohol or drug abuse.

Section 6. Discipline

Employees who do not agree to or who do not act in accordance with the guidelines for voluntary requests for assistance, or Employees who test positive for the presence of illegal drugs
or alcohol during the hours of work and who have not voluntarily requested assistance, or Employees who test positive a second or subsequent time for the presence of illegal drugs or alcohol during the hours of work after having complied with the guidelines for voluntary assistance shall be subject to discipline, up to and including discharge.

An employee’s refusal to provide a urine, breath and/or blood specimen for laboratory testing when requested by the Village shall constitute cause for disciplinary action which could include discharge.

Intentionally tampering with, causing another person to tamper with, substituting for, or causing another person to substitute for a urine and/or blood specimen shall constitute cause for disciplinary action up to and including discharge.

Section 7. Compensation

All time spent in the drug and alcohol testing process shall be compensable time under the terms of this Agreement.
