INTRODUCTION

This Labor Agreement is voluntarily entered into by and between the Village of Lake Bluff, Illinois, hereinafter also referred to as the "Village" and the Illinois Fraternal Order of Police, Labor Council hereinafter also referred to as the "Union" or "Labor Council", or "Council" as the exclusive collective bargaining agent for the employees of the Village of Lake Bluff who are described in the collective bargaining unit described herein.

PREAMBLE

The Union, having been certified by the Illinois Labor Relations Board, August 6, 2014 (S-RC-14-097) as collective bargaining agent for all sworn Police Sergeants employed by the Village (other than the Commander(s), and the Village, having voluntarily endorsed the practices and procedures of collective bargaining as a fair and orderly way of conducting certain relations between them, and the intention of the parties to this Labor Agreement being to provide for the appropriate wage structure, hours of employment, working conditions and benefits, and orderly and expeditious grievance procedure, all as set forth herein, the parties therefore agree to the following:

ARTICLE 1 RECOGNITION AND REPRESENTATION

Section 1.1 Exclusive Agent

The Village recognizes the Union as the sole and exclusive bargaining agent for all Sworn Police Sergeants, excluding all sworn Officers below the rank of Sergeant, Police Commanders and other sworn Officers above the rank of Sergeant, Managerial and Supervisory employees employed with the Village of Lake Bluff.

Section 1.2 Membership

As used herein, the term "sworn Police Sergeants" shall refer to all those persons included in the collective bargaining unit described above.

Section 1.3 Probationary Period

The probationary period for all employees hired or promoted to a position in this bargaining unit shall normally be six (6) months. The Chief may extend the probationary period for an additional six (6) month period after providing written notice to the Union and the affected Sergeant with a brief explanation of the reason for the extension. During the probationary period, employees shall be entitled to all benefits (except where specifically stated) provided for in this Labor Agreement except that any discipline and termination shall be at the sole discretion of the Village and shall not be subject to the grievance procedure set forth in this Agreement. There shall be no seniority among probationary Sergeants. Upon successful completion of the probationary period, a Sergeant shall acquire seniority, which shall be retroactive to the individuals' last date of hire with the Village in the position covered by this Labor Agreement.

Section 1.4 New Sergeants

The Village agrees to notify the Union of the hiring or promotion of all new sworn Police Sergeants, whose job classifications are covered by this Labor Agreement within ten (10) working days of the date of promotion to the position of Sergeant.

ARTICLE 2 NON-DISCRIMINATION

Section 2.1 Equal Employment Opportunity

The Village will continue to provide equal employment opportunity for all Sergeants covered by the terms of this Labor Agreement.

Section 2.2 Non-Discrimination

Neither the Village nor the Union shall discriminate against any employee because of race, creed, color, national origin, sex, or physical or mental disability as defined by the Americans with Disabilities Act or other legally protected categories. Complaints or charges of discrimination under Article 2 shall not be subject to the grievance and arbitration Article of this Labor Agreement.

Section 2.3 Use of Masculine Pronoun

The use of the masculine pronoun in this or any other document is understood to be for clerical convenience only, and it is further understood that the masculine pronoun includes the feminine pronoun as well.

ARTICLE 3 DUES DEDUCTION. & INDEMNIFICATION

Section 3.1 Dues Check Off

The Village shall deduct Union dues from the salary of each Union member covered by this Labor Agreement in amounts as determined by the Union, and shall promptly transmit such funds to the Union, provided the amounts to be deducted shall be uniform for each Union member and provided the deduction is voluntary and authorized in writing by the Union member, Appendix A Dues Authorization by the member. Bona Fide religious objections to the payment of voluntary membership dues shall be resolved consistent with the provisions of the Illinois Public Labor Relations Act, as amended, and the rules of the Illinois Public Relations Board. Voluntary Union dues shall be deducted from the salaries of Union members and transmitted to the Illinois FOP Labor Council at 974 Clock Tower Drive, Springfield, IL 62704-1304 within thirty (30) days after the deductions have been made.

Section 3.2 Indemnification

The Illinois Fraternal order of Police, Labor Council agrees to indemnify and hold harmless the Village, its elected representatives, officers, administrators, agents and employees from and against any and all claims, demands, actions, complaints, suits or other forms of liability

(monetary or otherwise) that arise out of or by reason of any action taken or not taken by the Village for the purpose of complying with the provisions of this Article, or in reliance on any written deduction authorization furnished under this Article, including Village's reasonable and necessary attorney's fees incurred in defending any of said claims, actions, complaints, suits or other forms of liability, and in enforcing the terms of this Article.

Section 3.3 Union Representatives and Visitation

The Village recognizes the right of the Union to elect, appoint, or otherwise name up to two (2) Sworn Lake Bluff Police Sergeants as Stewards of the unit. The names of these two (2) Stewards shall be provided to the Lake Bluff Chief of Police or designee immediately upon the conclusion of the negotiation of this Labor Agreement. Any subsequent changes in the names of these unit Stewards shall also be provided to the Chief of Police or designee in writing as such changes occur. Stewards shall not conduct Union business during regular working hours except with the permission of the Chief of Police or designee.

Also, the Village recognizes the right of the Union to send Labor Council representatives to the police department, for purposes for the administration, investigations and processing provisions of the Labor Agreement. Attendance will be subject to reasonable prior notice and approval of the Chief (or designee in his absence), which approval will not be unreasonably withheld or denied. Such visits shall not interfere with normal police department functions or any necessary police activities.

The Village shall grant a reasonable amount of paid release time for up to two (2) Union members to participate in contract negotiations at agreed upon joint meetings scheduled during the employee's normal working hours, provided it does not interfere with normal police department duties. Any pay under this Section shall only be provided in the event the Union member was regularly scheduled to work during the agreed upon times of the contract negotiations. Upon request, the Village agrees to provide the Union with employee information in accordance with Public Act 94-472, or as amended.

ARTICLE 4 NO STRIKE - NO LOCKOUT

Section 4.1 No Strike

Neither the Union nor any Sergeants or agents of Sergeants covered by this Labor Agreement will initiate, encourage, authorize, engage in, ratify, or condone any strike, sympathy strike, slowdown, or withholding of services or any other job action or any other intentional interruption or disruption of the operations of the Village regardless of reason for so doing. Any and/or all Sergeants who violate any of the provisions of this Article may be discharged or otherwise disciplined by the Village. Each Sergeant who holds the position of Sergeant or steward of the Union occupies a position of special trust and responsibility in maintaining and bringing about compliance with the provisions of this Article. In addition, in the event of a violation of this Article, the Union agrees to inform its members of their obligations under this Labor Agreement and to direct them to return to work.

Section 4.2 No Lockout

During the term of this Labor Agreement, the Village will not instigate a lock out of any Sergeants during the term of this Labor Agreement over a labor dispute with the Council.

Section 4.3 Penalty

The only matter that may be made the subject of a grievance and arbitration procedure concerning disciplinary action imposed for an alleged violation of Section 4.1 is whether or not the Sergeant actually engaged in such prohibited conduct. The failure to confer a penalty in any instance is not a waiver of such right in any other instance nor is it a precedent.

Section 4.4 Judicial Restraint

Nothing contained herein shall preclude the Village or the Council from obtaining judicial restraint and damages in the event the other party violates this Article.

ARTICLE 5 EMPLOYEE RIGHTS

Section 5.1 Public Information

The Employer agrees to comply with the applicable statutes or Acts governing public information.

Section 5.2 Observance of Statutory Requirements

The Employer will observe the provisions of the Uniform Peace Officer's Disciplinary Act (50 ILCS 725/1 et seq.) in conducting an interrogation of a covered member during a formal investigation of the covered member's alleged misconduct. As provided in the Act, the term "interrogation" does not include questioning (1) as part of an informal inquiry or (2) relating to minor infractions of agency rules which may be noted or: the covered member's record but which may not in themselves result in removal, discharge or suspension in excess of three (3) days. The Employer will also observe the requirements of the Illinois Public Labor Relations Act 5 ILCS 315/1 et seq.), as construed by the Illinois State Labor Relations Board, regarding the right of a covered member to have Labor Council representation during an investigatory interview.

ARTICLE 6 EMPLOYEE SECURITY

Section 6.1 Just Cause Standard

No non-probationary employee covered by the terms of this Labor Agreement shall be suspended, relieved from duty or disciplined in any manner without just cause.

Section 6.2 Fire and Police Commission

Any documented reprimands, suspensions, proposed terminations or other disciplinary actions brought by the Village, Police Chief or designee against any Sergeant covered by this Labor Agreement, shall not be considered valid unless the accused Sergeant or Sergeants and the Union have been provided with specific details of charges as well as the names of any and all witnesses

who may be called to testify against the accused. Nothing will preclude either party from presenting additional witnesses if new information is presented. The parties recognize that the Fire and Police Commission of the Village has certain statutory authority over members covered by this Labor Agreement, including, but not limited to, the right to make, alter and enforce rules and regulations. Nothing in this Labor Agreement is intended in any way to replace or diminish the authority of the Fire and Police Commission, except that the parties have negotiated an alternative procedure based upon Article 11 Dispute Resolution and Grievance Procedure of this Labor Agreement and as expressed in this Labor Agreement per Article 11, with respect to the imposing of disciplinary action, appeal and/or review of disciplinary actions shall be in lieu of the Fire and Police Commission, and shall expressly supersede and preempt, any provisions that might otherwise be the Rules and Regulations of the Village's Fire and Police Commission to review, implement discipline or conduct an appeal of disciplinary actions imposed. The parties to the Labor Agreement have agreed the Chief of Police shall have the sole authority to impose disciplinary action up to and including termination for a non-probationary covered member for just cause and will not file charges with the Fire and Police Commission. Neither the Police Chief nor the Village, or their agents will file charges asking the Fire and Police Commission to review or impose discipline on any covered member; instead all such discipline shall be imposed by the Chief of Police and appealed per Article 11 Dispute Resolution and Grievance Procedure. Pursuant to Section 15 of the IPLRA and 65 ILCS § 10-2.1-17, the parties have negotiated an alternative procedure based upon the grievance and arbitration provisions of this Labor Agreement. The parties agree the affected covered member may only appeal the disciplinary action imposed per Article 11 and no such appeal shall be available before the Fire and Police Commission.

Section 6.3 Disciplinary Sequence

The typical disciplinary sequence for any employee covered by this Labor Agreement generally will be: Verbal Warning; Written Warning, with a copy to the employee's personnel file; Suspension and/or dismissal. Disciplinary action, up to and including termination of employment, shall be for just cause. It is understood that the Village may skip any step(s) in the progressive discipline sequence and even dismissal may result as the first step in the disciplinary procedure depending on factors such as the circumstances, the Sergeant's overall record, and severity of the offense. Upon request, any Lake Bluff police Sergeant covered by this Labor Agreement is entitled to Labor Council representation at any meeting or hearing called for the specific purpose of disciplining the employee. If a non-disciplinary meeting, turns into a disciplinary meeting, the employee is entitled to ask for a recess of the meeting for a reasonable period of time until Labor Council representation can be obtained before continuing with any such disciplinary meeting.

Section 6.4 Discipline and Dismissal

Suspension and/or dismissal of a sworn police Sergeant must be supported by just cause. Any Arbitrator shall have the authority to order restoration of employment, including full seniority rights, back wages, benefits and accruals of such and pension contributions by the Employer of a dismissed employee pursuant to this Section only if accompanied by a finding of a violation of the employee's substantive rights or other applicable obligations in the Labor Agreement. The Arbitrator and or any legal tribunal in such cases shall reduce any back pay award by any amount

earned by the employee during the period the employee was not working for the Village and by any unemployment or other compensation payments earned or received during such period, except for any employee paid loss of income protection policy or benefit plan or legal defense program.

ARTICLE 7 LABOR MANAGEMENT COMMITTEE

At the request of either party, the Union and the Chief of Police or designee shall meet to discuss matters of mutual concern that do not involve grievances being processed under the Grievance Procedure or negotiations for the purpose of altering the terms of this Labor Agreement. The party requesting the meeting shall submit a written agenda of the items it wishes to be discussed as least seven (7) regular Village business working days prior to the date of the meeting.

ARTICLE 8 MANAGEMENT RIGHTS

Except as specifically limited by the express provisions of this Labor Agreement, the Labor Council recognizes that certain rights, powers and responsibilities belong solely to and are exclusively vested in the Employer, and these rights shall be liberally construed. Specifically, but without limiting the generality of the foregoing, it is understood and agreed that this Labor Agreement does not affect and shall not be deemed or construed to impair the Employer's right, in its sole discretion and judgment, to do the following on a unilateral basis:

- a. To determine, control, regulate and direct matters of inherent managerial policy;
- b. To supervise and direct the working forces;
- c. To determine the functions of the Police Department and its mission;

- s. To establish performance standards and evaluate employees.

ARTICLE 9 SENIORITY

Section 9.1 Definition of Seniority

Seniority shall be based on the length of time from the last date of beginning continuous full-time employment as a sworn Sergeant in the Lake Bluff Police Department. Leaves exceeding ninety (90) days shall be deducted from the total accumulated date of full-time service in determining seniority, except leaves resulting from military duty or duty-related injuries or unless otherwise stated to the contrary in this Labor Agreement. Seniority for the benefits and accrual of benefits shall be based on years of continuous employment with the Village of Lake Bluff. Conflicts of seniority shall be determined on the basis of the order of the Sergeants on the Lake Bluff Police and Fire Commission's promotional list, with the Sergeant higher on the list being more senior.

Section 9.2 Loss of Seniority

An employee will lose his seniority when:

- a. The employee resigns, retires or quits;
- b. The employee is discharged (for just cause for a Sergeant who has successfully completed the probationary period) and such is not overturned by an Arbitrator;
- c. The employee fails to report to work within five (5) calendar days after the conclusion of an authorized leave of absence or vacation;

- d. The employee fails to notify the Chief of Police or his authorized designee of his intention to return to work within five (5) weekdays Monday through Friday (exclusive of holidays observed by the Village) after being sent notice of recall;

Such documentation, if any, must be submitted within forty-eight (48 hours) of Employer's request to be considered.

ARTICLE 10 LAYOFF AND RECALL

Section 10.1 Layoff

The Village, in its sole discretion, shall determine when and whether layoffs are necessary. If it is determined that layoffs are necessary, Sergeants covered by this Labor Agreement will be laid off in accordance with their length of service as a sworn officer with the Department as provided by the Illinois Statute, 65 ILCS 5/10-2.1-18. Except in an emergency, no layoff will occur without at least ten (10) business days' written notification (email is fine) to the Union.

Section 10.2 Recall

Sergeants who are laid off shall be placed on a recall list for a period of eighteen (18) months. If there is a recall, Sergeants who are still on the recall list shall be recalled, in the inverse order of their layoff, provided they are fully qualified to perform the work to which they are recalled without further training. Sergeants who are eligible for recall shall be given a minimum of fourteen (14) days' notice of recall and notice of recall shall be sent to the Sergeant by certified or registered mail with a copy to the Union, provided that the Sergeant must notify the Chief of Police or designee of his/her intention to return to work within five (5) weekdays Monday through Friday (exclusive of holidays observed by the Village) after receiving notice of recall. Such notification of intention to return to work shall be done in writing. The Village shall be deemed to have fulfilled its obligations by mailing the recall notice by certified mail, return receipt requested, to the mailing address last provided by the Sergeant, it being the obligation and responsibility of the Sergeant to provide the Chief of Police or authorized designee with his/her current mailing address. A Sergeant who fails to timely respond to a recall notice shall have his/her name removed from the recall list.

ARTICLE 11 RESOLUTION AND GRIEVANCE PROCEDURE

Section 11.1 Definition

A "grievance" is defined as a dispute raised by a Sergeant and/or the Union against the Village involving an alleged violation of an express provision of this Labor Agreement. The parties recognize that the Lake Bluff Police and Fire Commission has and retains certain statutory authority over employees covered by this Labor Agreement, except as denoted in Article 6. Such authority shall not contradict the terms of this Labor Agreement. A reprimand may be grieved, but is not subject to arbitration.

Section 11.2 Representation

The Labor Council may have the grievant or grievants present at any step of the grievance procedure, and the grievant is entitled to Labor Council representation at any step of the grievance procedure.

Section 11.3 Procedure

STEP 1: Any Sergeant who has a grievance or the Labor Council shall submit the grievance, Appendix B in writing to the Deputy Chief of Police (or designee). The grievance, (Appendix B) shall contain a statement of the facts, the provision, or provisions of this Labor Agreement, which are alleged to have been violated, and the relief requested. All grievances must be presented no later than seven (7) business days from the date of the occurrence of the matter giving rise to the grievance or within seven (7) business days after the Sergeant, through the use of reasonable diligence, could have obtained knowledge of the occurrence of the event giving rise to the grievance.

The Deputy Chief of Police (or designee) shall render a written response to the grievance within seven (7) business days after the grievance is presented to the Labor Council and grievant.

STEP 2: If the grievance is not settled at Step 1 and the Sergeant or Union wishes to appeal the grievance to Step 2 of the Grievance Procedure, it shall be submitted in writing to the Chief of Police within seven (7) business days after receipt of the Deputy Chief of Police written response at Step 1 or the time limited to provide the written response.

The grievance shall specifically state the basis upon which the grievant and/or Labor Council believes the grievance was improperly denied at the previous step in the grievance procedure. The Chief of Police, or designee, will review the grievance and may offer to discuss the grievance within seven (7) business days with the grievant and an authorized representative of the Union at a time and place mutually agreeable to the parties. If no settlement of the grievance is reached, the Chief of Police or designee shall provide a written response to the grievant and the Union within seven (7) business days following the meeting.

STEP 3: If the grievance is not settled at Step 2 and the Sergeant or Union desires to appeal, it shall be referred by the Sergeant or Union in writing to the Village Administrator within seven

(7) business days after receipt of the Chief of Police response at Step 2. Thereafter the Village Administrator or his designee or other appropriate individual(s) as desired by the Village Administrator, shall meet with the grievant and a Union representative within seven (7) business days of receipt of the Sergeant or Union's appeal, unless extended by the parties. If no agreement is reached, the Village Administrator or designee shall submit a written response to the grievant and the Union within seven (7) business days following the meeting.

Section 11.4 Arbitration

If the grievance is not settled in Step 3 and the Labor Council wishes to appeal the grievance to arbitration, as described below, within seven (7) business days of receipt of the Village Administrator's written response as provided to the Labor Council as Step 3 or the time limit to provide the written response.

The parties shall attempt to agree upon an arbitrator within seven (7) business days after receipt of the notice of referral. In the event that the parties are unable to agree upon the arbitrator within the said seven (7) business days, the parties shall jointly request the Federal Mediation and Conciliation Service to submit a panel of five (5) arbitrators. Each party retains the right to reject one (1) panel in its entirety and request that a new panel be submitted. Both the Village and the Union shall have the right to strike two (2) names from the panel. A coin toss will determine the first strike and then the parties will alternate strikes. The person remaining shall be the arbitrator. The arbitrator shall be notified of the selection and shall be requested to set a time and place for the hearing, subject to the availability of Union and Village representatives. The Union and the Village shall have the right to request the arbitrator to require the presence of witnesses or documents. The Union and the Village retain the right to employ legal counsel. The arbitrator shall submit a decision in writing within thirty (30) calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later.

More than one (1) grievance may be submitted to the same arbitrator where both parties mutually agree in writing. The fees and expenses of the arbitrator and the cost of the written transcript, if any, shall be divided equally between the Village and the Union; provided however, that each party shall be responsible for compensating its own representatives and witnesses.

Section 11.5 Authority Limitations of the Arbitrator

The Arbitrator shall have no right to amend, modify, nullify, ignore, add to, subtract from or change in any way the provisions of this Labor Agreement. The Arbitrator shall consider and decide only the question of fact as to whether there has been a violation, misinterpretation or misapplication of the specific provisions of this Labor Agreement, as well as determine an appropriate award, if any. Any decision of award of the Arbitrator rendered within the limitations of this Article 11 shall be final and binding upon the Village, the Union and the Sergeants covered by this Labor Agreement.

Section 11.6 Time Limit

The Sergeant must present a pay voucher from the Clerk of the Court or other appropriate official stating the full amount of jury duty remuneration.

Section 13.3 Mileage Allowance

The Village shall normally make available to any Sergeant engaged in Village business a Village owned vehicle. However, where circumstances require, the Chief of Police may authorize a Sergeant utilize a privately owned vehicle for Village business, and the Village will reimburse the Sergeant the then-current IRS approved rate per mile of actual use. Sergeants will be eligible for travel time only if the assigned Village business is more than thirty (30) miles from the Public Safety Building.

ARTICLE 14 HOURS OF WORK AND OVERTIME

Section 14.1 Purpose of Article

This Article sets forth the normal work cycle and establishes the basis for calculating overtime payments. Nothing in this Article or Agreement shall be construed or misconstrued as a guarantee of hours of work per day, per week, or per work cycle.

Section 14.2 Normal Work Cycle

The normal work cycle for Sergeants covered by this Labor Agreement shall be fourteen (14) days consisting of ten (10) shifts of eight (8) hours. Current paid lunch and break practices shall remain in effect.

Section 14.3 Changes in Normal Work Cycle

Should it be necessary for legitimate operational needs for the Chief of Police to establish a schedule departing from the current practices, the Police Chief will give, if practicable, seventy-two (72) hours of advance notice of such change to all Sergeants affected by such change. Sergeants will rotate on an annual basis. The rotational order shall proceed in a forward manner, i.e., from day shift to afternoon shift to midnight shift. However, Sergeants will be allowed to trade shifts among themselves even if this results in a Sergeant working the same shift assignment as the previous year(s). Shift assignments, once made, will remain in effect; provided however that the Department has the right and obligation to adjust shifts on the basis of skills (i.e., Major Crimes, NIPAS), the Chief or designee, consistent with this right and obligation, shall be entitled to reassign shifts in inverse seniority. Bumping which occurs as a result of the assignment by the Chief of Police or probationary Sergeants will be in inverse seniority order. For the purposes of implementation, the Sergeants will remain on their current shift and the rotational process will begin as of January 1, 2016.

The Union and Sergeants recognize that circumstances change from time to time during the term of Labor Agreement that give rise to a need to change hours of work or other working conditions due to the small size of the unit. If this occurs, the Chief of Police or designee will provide advance notice to the Union, except in the event of emergency or unanticipated business need of the Police Department or Village. The Village agrees to give a thirty (30) day notification to the Union of any non-temporary changes in scheduling and the Village agrees to reopen and negotiate the impact that would be affected by this change in scheduling.

Section 14.4 Overtime Pay

Sergeants shall be paid at one and one-half (1+1/2) times their normal straight time hourly rate for all hours compensated in excess of the normal eight (8) hour day in the Sergeant's normal fourteen (14) day work cycle rounded to the nearest completed fifteen (15) minute segments with a minimum of fifteen (15) minutes if under fifteen (15) minutes are completed.

Section 14.5 Court Time

When Sergeants are required to attend court on behalf of the Village outside a Sergeant's normal workday, the Sergeant shall be paid for actual time spent for court with a minimum of three (3) hours pay.

The term "call back" or "call-in" shall not include an employee being contacted by telephone or situations where employees are ordered in to correct their own mistakes or clarify unrecognizable transcripts.

ARTICLE 15 HOLIDAYS AND PERSONAL DAYS

Section 15.1 Holidays

Sergeants covered by this Labor Agreement shall receive eight (8) days off per calendar year, said days off to be scheduled under normal circumstances based upon the Sergeant's request and with the approval of the Chief of Police or designee. Holidays may not be requested on days that would result in insufficient manpower to cover the shift. In order to be eligible to receive pay for any of the eight (8) scheduled days off the Sergeant must work their full scheduled day before and after the scheduled day off unless proof of sickness or excusable absence is established to the satisfaction of the Chief of Police or designee. Those days shall be made available for request at the beginning of the calendar year. Employees shall be given the opportunity to request these days prior to the beginning of the calendar year, but at a minimum of five (5) days in advance. Such requests shall not be unreasonably denied, however requests may be denied or cancelled if

another Sergeant selects vacation time on a date a holiday/personal day has been selected resulting in insufficient manpower.

For purposes of this Section, Sergeants who work on Memorial Day, Thanksgiving Day, and Christmas Day shall be paid time and one-half (1+1/2) for all hours worked. For purposes of the foregoing holiday pay provisions, if a majority of the hours of a shift fall on the holiday (12 midnight through 11:59 PM), the entire shift shall be considered as falling on the holiday for holiday pay purposes. If however, less than a majority of the hours of a shift do not fall on the holiday, the entire shift shall be considered as not falling on the holiday.

Section 15.2 Personal Days

In addition to the above eight (8) holidays, Sergeants shall also receive four (4) personal days per fiscal year. A personal day may not be taken consecutively with another holiday or vacation time without the approval of the Chief of Police or designee (such approval will not be unreasonably denied).

ARTICLE 16 VACATION

Section 16.1 Vacation Eligibility

Every Sergeant shall be eligible to use vacation time after the completion of twelve (12) months of employment with the Village. Sergeants shall start to earn vacation allowances as of the date of employment with the Village. Vacation allowance shall be earned per pay period based on the following schedule:

Length of Continuous Service	Working Days of Vacation Per Year

No more than one (1) Sergeant may be on vacation at the same time, regardless of shift, and no Sergeant may be on vacation during the week of July 4, unless approved by the Chief or designee. For the period of January through March, vacations will be chosen on a first come/first served basis. No seniority and no "bumping" will be permitted during this period. By November 1, of each year, the Village shall post a vacation bid list which shall remain posted until December 15 of each year. Sergeants may not take any part of the same period for time for vacation as they took the previous year as first pick unless no other Sergeants pick that time. After all employees have made initial selections, the second-round selections, also by seniority will be made. A second-round selection cannot take priority over another employee's first round selection. After the second requests have been submitted, any Sergeants who have remaining accumulated vacation time may submit an additional vacation request as long as it does not affect the minimum staffing requirements. This request is not subject to seniority.

Section 16.2 Vacation Week

Vacation shall be paid on a forty (40) hour basis per week at the rate of the Sergeant's regular straight-time hourly rate of pay in effect for the Sergeant's regular job classification on the payday immediately preceding the Sergeant's vacation.

Section 16.3 Vacation Scheduling

Vacations shall be scheduled at times requested by the Sergeants consistent with the operational needs of the Department.

Section 16.4 Limitation on Accumulation of Annual Vacation

Sergeants are not permitted to accrue/carryover more vacation time than they earn in one (1) year plus ten (10) days without written approval by the Chief of Police and the Village Administrator

The leave must be granted on the same terms under which the employee can use sick leave benefits for their own illness or injury. A medical certification or verification of illness is acceptable as provided by a physician or certified health care professional shall be required when utilizing sick leave of more than three (3) consecutive workdays.

- a. Should paid sick time benefits be exhausted in the case of a prolonged personal illness, a Sergeant may utilize accrued vacation pay leave time in lieu of unpaid sick leave if covered member so requests.
- b. On separation from the Village in good standing, an employee having a minimum of sixty (60) days and not more than one hundred-nineteen (119) days of accrued sick leave, shall receive compensation equal to twenty percent (20%) of all days accrued at covered members' current hourly rate. An employee having a minimum of one hundred-twenty (120) days of accrued sick leave shall receive compensation equal to forty percent (40%) of all days accrued at his/her covered member's current hourly rate. An employee having less than sixty (60) days of accrued sick leave will not receive compensation for those days upon separation of employment. Employees who leave the Village's employ as a result of disciplinary action do not qualify for accrued sick leave payments.

Section 17.2 Military Leave

The Village and the Union will abide by applicable statutes or Executives Orders related to military leave.

Section 17.3 Unpaid Leave of Absence

A Sergeant must inform the Chief of Police of his intention to request an unpaid leave of absence for off-the-job injuries or for other reasons. An off-the-job injury leave or other unpaid leave of absence may however only be granted by the Village Administrator at the Village's sole discretion. The terms and conditions of such a leave shall be on a case-by-case basis provided the provisions do not violate the terms and conditions of this Labor Agreement or applicable State Statutes. Sergeants returning from off-the-job injury leaves must present medical documentation, signed by the attending physician, certifying the Sergeants' fitness for duty. Returning Sergeants will be given their same or substantially equivalent job for which they are qualified if there is an appropriate vacancy. If a vacancy does not exist at that time, they may be continued on leave and will be offered the first appropriate vacancy for which they are qualified. Those returning from an off-the-job injury leave will not be entitled to a shift preference. Failure to return to work on the date specified in the leave may be cause for discharge.

Section 17.4 Injury Leave

Nothing in this Labor Agreement shall be construed to preclude the applicability of the Public Employee Disability Act as set forth in 5 ILCS 345/1 et seq., but said Act shall be incorporated herein by reference.

Section 17.5 Light Duty Assignments

**ARTICLE 18 HOSPITAL, MEDICAL, SURGICAL,
MAJOR MEDICAL, DENTAL AND LIFE INSURANCE**

Section 18.1 Medical Insurance

The hospitalization, medical, surgical, major medical, and dental insurance programs which are in effect for Village employees shall be continued during the term of this Labor Agreement, provided, however, the Village retains the right to change insurance carriers or to self-insure as it deems appropriate so long as the coverage and benefits are substantially similar to those which predated this Labor Agreement. Any High Deductible Health Plan shall be accompanied by an HAS Account established for the employee by the Village. Village contributions to the HSA accounts shall be fifty percent (50%) of the deductible for the Plan and Tier in which the employee is enrolled. In addition, eligible employees shall have the option to contribute via payroll deduction to the HSA up to the maximum amount allowed by law. Employees not enrolled in an FISA account may elect to participate in the Village's Flex benefit account, if otherwise eligible.

Section 18.2 Life Insurance

Full-time Sergeants will be provided with life insurance coverage and accidental death and dismemberment coverage under the terms of the current group life insurance program in force, provided, however, the Village retains the right to change carriers as it deems appropriate. The Village will assume the full cost of the Sergeant's life insurance coverage from the date of eligibility onward. Life insurance ceases with termination of employment with the Village except as otherwise provided by law. The specific aspects of the life insurance coverage are contained in the respective carrier's group insurance certificate.

Section 18.3 Cost Containment

The Village reserves the right to maintain or institute cost containment measures relative to insurance coverage so long as the level of insurance benefits remains substantially the same. The Village will not increase the employee share of the deductibles (routine & hospital/surgical) or the co-insurance percentages from those in effect pursuant to the insurance contract in effect as of the time of ratification; however, the Village will pay a minimum of eighty-six percent (86%) of the premium for employee and applicable family coverage. The employee will pay the remaining premium for the life of this contract. Premium contributions will continue to be deducted on a pre-tax basis.

Section 18.4 Opt-Out Option

For a period of thirty (30) days prior to the start of the plan year, each bargaining unit employee, upon proof of applicable insurance by another carrier, shall have the option to elect not to receive the health and dental insurance offered by the Village. Such election will be effective for a period of twelve (12) months (pro-rated if employee works partial year). Any employee who is eligible for any applicable family coverage and elects not to receive coverage for them self and family shall receive a payment of \$1,250. Any employee who is eligible for only single coverage

and elects not to be covered shall receive a payment of \$725. Such payments shall be made in two (2) equal installments, at the start of the plan year and the other six (6) months thereafter. If an employee does not exercise the right to elect whether or not to be covered or to receive family coverage during the thirty (30) days prior to the start of the plan year, his prior election will continue to be in effect for a period of an additional twelve (12) months. An employee who has elected not to be covered and/or not to receive family coverage shall have the right to change this election during the applicable twelve (12) month period only upon proof of a change of other insurance coverage for self or family as required by law.

Section 18.5 Terms of the Policy to Govern

The employee shall be permitted to consult with a representative of the Labor Council at the time the order is given. Testing shall not be unreasonably delayed by reason of the Employee's inability to consult legal counsel or labor representatives. No questioning of the employee shall be conducted without first affording the employee the right to Labor Council representation and/or legal counsel. The employee shall complete the test required by the supervisor within one (1) hour of issuance of the order. A supervisor shall provide transportation to the test.

2. Any employee suspected of drug or alcohol use as a result of reasonable evidence upon reporting to work, during the day, or upon completion of the employee's shift may be subjected to a reasonable cause urine drug or breath alcohol test in accordance with the provisions of the aforementioned paragraph. Refusal to submit to such screening will be considered grounds for immediate discipline up to, and including discharge.

B. Discharge of a Weapon Causing Injury or Death

An employee shall be ordered to submit to drug and alcohol testing whenever that employee discharges a firearm on duty and such action has caused injury or death to a person or persons. D. Duty-Related Post-Accident Testing

1. If the test is not administered the Village shall prepare and maintain on file a record stating the reasons the test was not promptly completed. If in 8 hours a test is still not conducted, all attempts shall cease and a complete record made of why it was not accomplished. The employee should not consume alcohol for at least 8 hours following an accident or until a breath alcohol test has been accomplished.
3. An employee who is seriously injured and cannot provide a specimen or breath alcohol test at the time of the accident shall provide the necessary authorization for obtaining only those medical records and reports that would indicate if a controlled substance or alcohol was in the employee's system and the level present.

In conducting the testing authorized by this Agreement, the Village shall:

- (a) use only a clinical laboratory or hospital facility that is licensed and accredited pursuant to the Department of Health and Human Services(MIS) the Substance Abuse Management Safety & Health Administration (SAMSHA);
- (b) If the type of test administrated allows for a split sample, the employee shall have the option to request that such a sample be taken;
- (c) establish a chain of custody procedure for both the sample collection and testing that will insure the integrity of the identity of each sample and test result. No Employee covered by this Agreement shall be permitted at any time to become a part of such chain of custody;
- (d) collect a sufficient sample of the same bodily fluid or material from an Employee to allow for initial screening, a confirmatory test and a sufficient amount to be set aside reserved for later testing if requested by the Employee;
- (e) collect samples in such a manner as to preserve the individual Employee's right to privacy, insure a high degree of security for the sample and its freedom from adulteration. Employees shall not be witnessed by anyone while submitting a sample, except in circumstances where the laboratory or facility does not have a "clean room" for submitting samples or where there is reasonable belief that the Employee has attempted to compromise the accuracy of the testing procedure;

- (h) require that the laboratory or hospital facility report to the Village that a blood or urine sample is positive only if both the initial screening and confirmation test are positive for a particular drug. The parties agree that should any information concerning such testing or the results thereof be obtained by the Village inconsistent with the understandings expressed

herein (e.g., billings for testing that reveal the nature or number of tests administered), the Village will not use such information in any manner or forum adverse to the Employee's interests;

- (i) require that with regard to alcohol testing, for the purpose of determining whether the Employee is under the influence of alcohol, test results showing an alcohol concentration of .08 or more based upon the grams of alcohol per 100 milliliters of blood be considered positive (Note: the forgoing standard shall not preclude the Village from attempting to show that test results between .05 and .08 demonstrate that the Employee was under the influence,
- (j) provide each Employee tested with a copy of all information and reports received by the Village in connection with the testing and the results;
- (k) insure that no Employee is the subject of any adverse employment action except emergency temporary reassignment or relief from duty with pay during the pendent of any testing procedure. Section 5. Voluntary Requests for Assistance

The Village shall take no adverse employment action for drug or alcohol use against an Employee who voluntarily (prior to being requested to submitting to a test) seeks treatment, counseling or other support for an alcohol or drug related problem, prior to any request by the Village to submit to testing in accordance with this Article, other than the Village may require reassignment of the Employee with pay if he is then unfit for duty in his current assignment, however employees may only avail themselves of this help once during the employee's tenure. The Village shall make available a means by which the Employee may obtain referrals and treatment. All such requests shall be confidential and any information received by the Village, through whatever means, shall not be used in any manner adverse to the Employee's interests, except reassignment as described above.

- (b) the Employee discontinues his use of illegal drugs or abuse of alcohol;
- (c) the Employee completes the course of treatment prescribed, including an "after-care" group for a period of up to twelve months;

- (d) the Employee agrees to submit to random testing during hours of work during the period of "after-care."
- (e) the employees use of drugs or alcohol did not contribute directly to the loss of life or injury to any person.

The foregoing shall not be construed as an obligation on the part of the Village to retain an Employee on active status throughout the period of rehabilitation if it is appropriately determined that the Employee's current use of alcohol or drugs prevents such individual from performing the duties of a police officer or whose continuance on active status would constitute a direct threat to the property or safety of others. Such Employees shall be afforded the opportunity to use accumulated paid leave or take an unpaid leave of absence, at the Employee's option, pending treatment. The foregoing shall not limit the Village's right to discipline Employees for misconduct provided such discipline shall not be increased or imposed due to alcohol or drug abuse.
