

COMPENSATION PAID TO EMPLOYEES

as of January 26, 2022

The Village's compensation program aims to attract, retain, an incentivize qualified and productive employees. To do so, the Village pegs position salary levels at or above the average of those in the competitive market and sets an appropriate compensation relationship between positions within the Village organization. The Official Village Pay Plan establishes a salary range which recognizes individual ability and exhibited job performance as the basic considerations in salary determination. In addition, the Village has reviewed pay levels in other Lake County and North Shore communities as "market comparables." An annual compensation survey is used as a gauge for this purpose.

The Village's Official Pay Plan is reviewed by the Village Board every year during the annual budget process. All regular, full time employees not covered by a collective bargaining agreement are eligible for salary increases within the approved salary range, consistent with the Plan's criteria and economic conditions. The Village Administrator is responsible for the administration and interpretation of the Plan and sets salaries for all employees within the salary ranges after discussing them with the Department Heads. Some employees are covered by a collective bargaining agreement.
