

# Streetscape Improvements

## Start April 15, 2019

**LAKE BLUFF**

**NORTH SHORE LIFE  
LAKE BLUFF STYLE**

**When?** April 15 – May 3, between 7 a.m. and 7 p.m. on weekdays.  
*(Subject to change due to weather and plant availability.)*

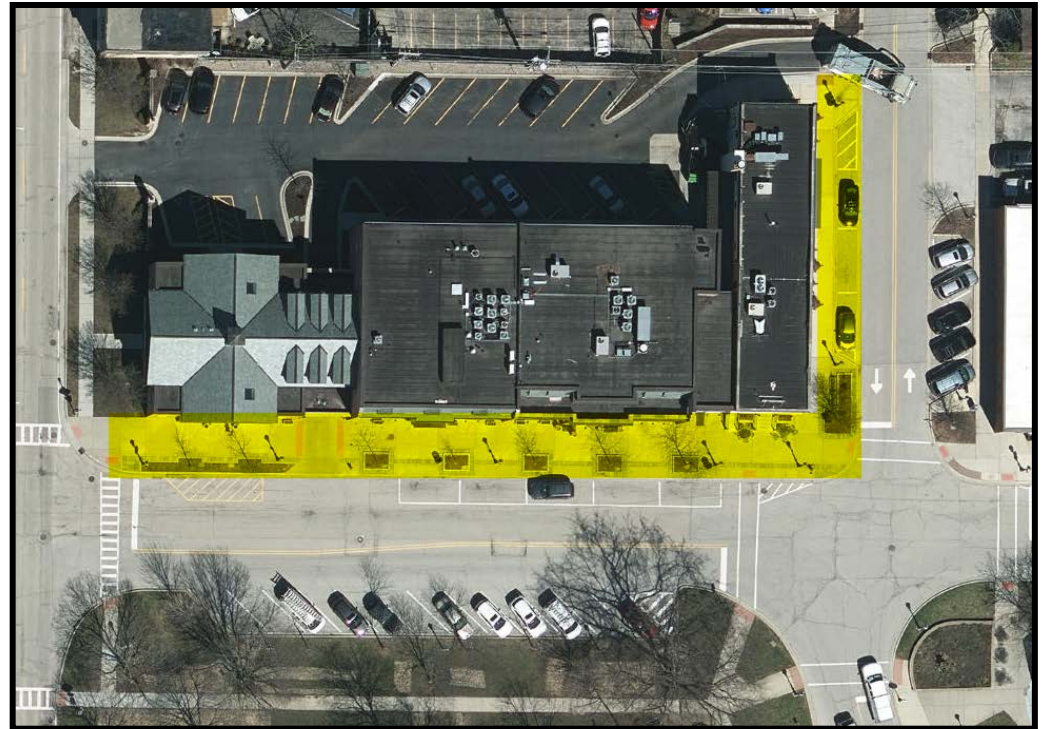

**Where?** Sidewalks adjacent to the Village Commons building.  
*(Between Sheridan Road and Walnut Avenue)*

**What?** The Village is replacing existing sidewalk planters and trees in order to create a more pedestrian friendly streetscape. The new design is flush to the ground and more resilient to wear.

**Sidewalks and storefronts  
will remain accessible.**

**Adjacent parallel parking spaces  
will be unavailable intermittently.**

**Who?** Direct questions or concerns to:
