IL Rt. 176 Roadway Construction Project Update

As part of the [Target Store Development](#) (southwest corner of Rt. 176/41) there are several off site improvements moving forward, including the construction of:

- a dedicated north bound turn lane on west bound Rt. 176 at Waukegan Road;
- an enhanced four way intersection at Rt. 176 and Shagbark:
 - addition of a left turn lane onto Rt. 176 from Shagbark,
 - addition of a left turn lane onto Shagbark from Rt. 176,
 - addition of a right turn lane onto Rt. 176 from Shagbark, and
 - addition of a right turn lane onto Shagbark from Rt. 176;
- a dedicated left turn lane onto Carriage Park Ave. from Waukegan Rd.;
- dedicated right and left turn lanes onto Waukegan Rd. from Carriage Park Ave.; and
- dedicated right and left turn lanes onto Waukegan Rd. from Albrecht Drive.

June 19, 2015: During the week of June 15th contractors completed all landscape work for the development, worked on traffic signal installation at IL Rt. 176/Shagbark Rd. intersection and continued with roadway stripping. During the week of June 22nd contractors anticipate (weather permitting): completing all roadway stripping, installing new traffic signals and removing the temporary traffic signals.

Information regarding the construction work along IL Rt. 176 will be provided as it becomes available; please check back for updates. For questions concerning the roadway construction project please contact Tim Lapp, Senior Engineering Tech at Gewalt Hamilton Associates, Inc., at 847-821-6210.

Additional information regarding the Target Planned Commercial Development is available by [clicking here](#) or contacting Brandon Stanick, Asst. to the Village Administrator, at 847-283-6889.

[Downtown Visioning Survey Now Available and Don't Miss the June 24th Open House](#)

The Village has engaged land use planning an urban design firm Teska Associates, Inc. to perform a [Downtown Visioning project](#). This project follows the 1998 Plan for the Central Business District (CBD) and the Village's 1997 Comprehensive Land Use Plan. Portions of these plans have come to fruition over the past several years. The Village is interested in your input to help us prepare for potential future redevelopment and further refine the current "blueprint."

Thanks to everyone who submitted photos for the Downtown Visioning Program. Please take 15 minutes to participate in a Visual Preference Survey where you can rate downtown improvements. The Survey will remain open until July 31, 2015:

<https://www.surveymonkey.com/r/2GYWLPX>

And, don't forget to join us at the Downtown Visioning Project Drop-In Open House, Wednesday June 24th (anytime from 7:00 to 9:00 p.m.) at Village Hall. We look forward to seeing you there!

For additional information, please contact Brandon Stanick, Asst. to the Village Administrator, at 847-283-6889.

Third Annual Auto Show Returns to Lake Bluff June 27, 2015

On Saturday, June 27th, from 3:00 to 7:00 p.m., local collectors of classic automobiles will showcase their vehicles during the third annual Lake Bluff History Museum Auto Show and Block Party. The blocks of east Scranton Avenue and Center Avenue adjacent to Lake Bluff's Village Green will be closed to accommodate the cars and people admiring the cars; the museum tent where sno-cones will be offered, prints of Mark McMahon's painting of the ice truck will be sold and history celebrated; a display of automobile memorabilia from The Last Detail's Kenilworth Galleria; food offered by Catering by Kenny; music, refreshments from Lake Bluff Brewing Company and more!

The museum's own 1931 Lake Bluff Ice Truck will be prominently displayed along with dozens of classic cars dating from the early 1930s into the 1980s. Step back in time and imagine what it might have been like to drive cars built 40, 50 ... 80 years ago. The 2015 event promises to be bigger and better than ever, thanks to a great group of volunteers working behind the scenes in advance of the event to promote and recruit exhibitors, and at the event to ensure things run smoothly.

Lake Bluff History Museum extends a special thank you to the 2015 Auto Show's lead sponsor, The Last Detail, for its support. The Last Detail sells, services and restores luxury and classic vehicles in two Chicagoland locations and will display memorabilia from its collection of historic toys, lithographics, mascots, ornaments and artwork from the Automotive Fine Arts Society at the Auto Show. President and CEO, Tom Snellback, is a Lake Bluff resident and past Auto Show participant. Tom endorses the museum's motto for the restored Ice Truck: History is Cool! "What can be more fun than to live history by enjoying classic automobiles that have been carefully restored to their original beauty? The Lake Bluff Ice Truck is a great example for all to enjoy."

The museum also thanks Karl Knauz BMW, Catering by Kenny and Lake Bluff Brewing Company for their support of the Museum's 2015 Auto Show! Collectors of cars dating from the 1980s or earlier are invited to participate in the show can obtain a registration form at lakebluffhistory.org

For those young and young-at-heart, the museum will make sno-cones during the Auto Show and has arranged with Catering by Kenny to offer food for purchase. For those looking to extend the fun into the evening, a block party with music by Bellweather Blues follows the Auto Show and continues until 11 pm. There is no charge for the event.

The Lake Bluff History Museum connects people with Lake Bluff's

history through research, preservation and activities that bring history to life. Located at 127 East Scranton Avenue, Lake Bluff, the facility is open Tuesdays and Thursdays from 1:00 to 4:00 p.m. and Saturdays from 10:00 a.m. to 1:00 p.m., or by appointment. For information on Lake Bluff history, visit lakebluffhistory.org or call (847) 482-1571.

In the event that Meeting Agenda links do not properly function, subscribers may find agendas posted on the Home Page at www.lakebluff.org. All Board and Commission [Meeting Minutes](#) are generally approved at the next regular meeting and posted on the website the following day.
